## FACTORY SALE!!

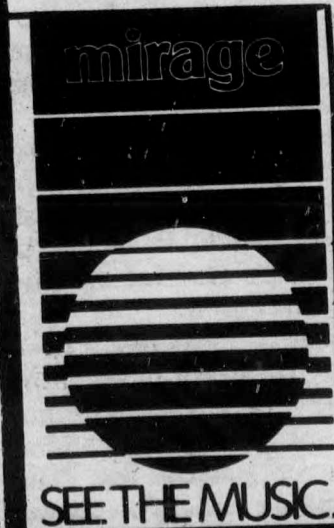

**mirage**   
**650**

-We have just received a shipment of Mirage 650's, all sealed cartons, all factory first with the Mirage 10 year warranty. A special factory sale has made it possible to offer these best selling

speakers for over \$200.00 off their suggested

retail. They feature Mirage's superb ferro fluid damped tweeter and a massive 10in. cast magnesium alloy frame woofer, along with a 10in. passive radiator. All this in a quiet, internally braced, rigid cabinet. These speakers are efficient, dynamic, and have great power handling capability, ideally suited for use with compact discs. Best of all, like all Mirage speakers, they let you see the music. Truly one of the best buys we have ever offered.
