Rt. Hon. Arthur Meighen,
Ottawa, Ont.

Dear Mr. Meighen:

This is just to tell you how very sorry I am to hear of the reverses which the Party and yourself personally have sustained in the recent election.

I trust, however, that there is no truth in the rumour that you may relinquish the leadership of the Party on that account. It would, in my opinion, be most disastrous for both the Party and the country if your services were to be discontinued at this time. With a following of over ninety Members in the House, I think you have reason to feel that you still enjoy the confidence of a very large and substantial portion of the Dominion and that this following will expect you to carry on the fight until the nation-wide policy which you have so ably expounded, triumphs.

With kind personal regards, I am

Yours sincerely,

JJL/EMO.
