Ottawa, 22nd April, 1902.

Sir,-

I beg to inform you that the Edmonton Milling Company has been awarded the contract for the supply of flour required for your Agency at \$1.65 per sack. The Department expects the Indians to do the freighting, and will not allow at most more than 75¢ a sack. It is thought you should be able to get them to do it for less than that sum.

Your obedient servant,

Secretary.
