OTTAWA, June 13rd-1903.

SIR-

I beg to acknowledge the receipt of your letter of the 15th. instant regarding the child of Hosha LAYOON of Sarani River Band who is suffering from an injured spine, and in reply I have to inform you that the Department would like a report from the attending physician in connection with the case. You should also give the name of the Indian, if you can find the one who can assume the charge of the child, and what the cost would be. It is thought that the father should be able to bear at least a portion of it.

Your obedient servant,

Secretary.
