

November 9th, 1918.

Sirs,-

Will you kindly furnish this Department with 40 feet of corrugated steel culvert pipe, 5 feet in diameter, to be shipped to W. C. Van Loon, Indian Agent, Hagersville, Ont., this steel pipe to be used for the construction of a culvert on the south side of the bridge over the Boston Creek. The account in duplicate should be sent to Mr. Van Loon for approval and returned to this Department for payment.

Your obedient servant,

Asst. Deputy & Secretary.

The Pedlar People, Ltd.,
Ottawa,
Ont.
