District Inspector, Air Regulations,
1 Montgomery Avenue,
Postal Station "K",
Toronto 12, Ontario.

1. In reply to your letter dated
December 24th, it is regretted that we were in error
in referring to Tiger Moth CF-BGL in our memo of
December 21st, 1945, when we should have referred to
CF-BUN only.

2. Certificates of Registration and
Airworthiness will be issued in the case of CF-BGL in
the near future.

(S. Graham),
Superintendent, Air Regulations.
