

Rotary Club of London, Canada

By none, to a greater extent than by our Canadian Soldiers, has the spirit of Service been exemplified during the period of the War. It is appropriate, therefore, that the *Rotary Club of London, Canada*, whose motto is "*Service, Not Self*," should take this opportunity of joining in the Welcome to our Returned Soldiers, recognizing, as its members do, the great debt owing to those men who, at the risk, and in many cases at the cost, of their lives, have done so much toward the securing of Liberty and Freedom for the world.

We welcome you home!

ROTARY CLUB OF LONDON, CANADA

Ray Lawson, President.
