This Company is a purely Canadian one and directed by gentlemen of well-known integrity and ability, and offers special advantages to Farmers, and others owning private residences.

It insures against loss or damage by Fire and Lightning, Private Houses, Churches, Colleges, Presbyteries, School-houses, and buildings of this class when properly protected or detached, the contents of Private Houses, Barns, Stables, and all other buildings which are insurable in this Company; also, Farm Buildings, together with contents of same, including all the Products of the Farm, and Farm Implements of all kinds. Cattle insured against loss by Lightning on any part of the owner's premises.

THIS COMPANY respectfully requests that parties who intend insuring will be on their guard against Agents of Rival Companies who represent themselves as simply for the "Agricultural." Be sure that it is The "OTTAWA" Agricultural, the Safest and most Popular Company in the Dominion.
