### GOSSIP.

ES In writing to advertisers, mention the "Farmer's  
Advocate."

J. W. Hartman & Sons, Elm Hedge, Ont.,  
breeders of Shorthorns and Berkshires, in re-  
newing their advertisement, write: "The  
demand for Shorthorns never was better. The  
four young bulls we are offering are a choice  
lot. They are sired by Grey Hero, a grandson  
of the famous Barnum Hero, and out of  
dams sired by Imp. Albert and Imp. Blue Rib-  
bon. We find, with lots of ensilage and roots,  
we have no trouble in keeping the stock gain-  
ing. Our young bull, Duke of Richmond  
=26079-, purchased from J. & W. Russell, of  
Richmond Hill, is a model Shorthorn, and  
is proving an excellent sire. He is a rich red,  
with a broad, level back; smooth, deep body;  
stands straight on very short legs; is a grand  
feeder, and has a very mild and quiet dispo-  
sition; in fact, he is an all-round good bull. We  
find we cannot afford to keep anything infer-  
ior, for the best is none too good for the breeder  
or his customers. In Berkshires, we have a  
limited supply of choice young boars and sows  
of the most approved breeding."

Henry Stevens & Son, Lacona, N.Y., write:-  
"One of the recent important sales from the  
Brookside herd was the bull, Brookside Hen-  
gerveld De Kol, to Mr. Fred Dixon, of Auburn,  
N.Y. This bull was a beautiful individual,  
and in breeding he stands among the first.  
His dam is De Kol 2nd's Pauline 2nd, with an official  
butter record of 24.148 lbs. in seven days at  
four years old, and her milk averaged 4.36 per  
cent. butter-fat during the week of her official  
test. She is no 'happenstance,' as she is a  
daughter of our great cow, De Kol 2nd, the  
foundation cow of the De Kol family. De Kol  
2nd's Pauline 2nd was sired by Manor De Kol.  
His dam, Netherland Hengerveld, made in her  
seven-day official test 25.66 lbs. butter, the  
largest amount ever yet made by any cow in  
any official test. The bull sold Mr. Dixon was  
sired by De Kol 2nd's Butter Boy 3rd, a bull  
that we believe has no equal in breeding in  
this country. His get are very uniform and  
beautifully formed, and we think an inspection  
of them will convince the most critical breeder  
that he has no superior as a sire. Mr. Dixon's  
bull contains five crosses of De Kol 2nd and  
two of Netherland Hengerveld. He is a beau-  
tifully-formed animal and shows plenty of  
constitution and vigor, and will prove a valu-  
able acquisition to the fine herd he goes to  
head. Mr. Dixon also selected two very fine  
heifers."

## Cheese & Butter

Makers of these articles, in many  
instances, do not pay the necessary  
attention to the quality of the Salt  
they use. Some people think that  
"Salt is Salt," and it does not mat-  
ter where it comes from or who  
makes it. This is a great mistake,  
for it is essential that to produce  
the best Butter or Cheese nothing  
but the purest salt should be used.  
The number of prizes obtained by  
users of Coleman's or Rice's Dairy  
Salt at the various exhibitions is  
conclusive proof that these brands  
of salt stand unrivalled.
