

Save 30 Day's Time Fattening Hogs

W. Westesen, Denver, Col., January 5, 1910, says:— "I have given Pratts Animal Regulator to 1,000 hogs during the past year, and am willing to state that I am highly pleased with the results. It has saved thirty days' time in fattening, and my hogs have always brought a little more than market price."

Highest Quality We are offering 8 shearing rams, 25 ram lambs, 10 shearing ewes and 15 ewe lambs. Big in size, very heavy covered and choice quality. Flock headers and show stock a specialty. **C. & E. Wood, Freeman Ont.**

The fond husband was seeing his wife off with the children for their vacation in the country. As she got into the train he said, "But, my dear, won't you take some fiction to read?" "Oh, no!" she responded, sweetly, "I shall depend upon your letters from home."

GOSSIP.

On the Westinghouse estate at Lenox, Mass., some carp in a pond are said to have sucked milk from the teats of cows that had entered the pond for water. Employees, to verify their suspicions, angled for the fish, which, in their struggles, caused the milk inside to form into butter granules. That the cows were Jerseys is evident from the ease of churnability, says the Jersey Bulletin.

WM. COLQUHOUN'S 1910 IMPORTATION.

The 1910 importation of Clydesdale stallions and fillies of Wm. Colquhoun, of Mitchell, Ont., have arrived safely, and, in common with his importations of over a quarter of a century, show immense scale, ideal draft character, and underpinning of great strength, with a nice flat quality of bone. Mr. Colquhoun is one of those whose idea of a draft horse is great size, strong bone, well-sprung ankles, and deep ribs. He has probably imported as many Clydesdales to Canada as any man in the business, and he always finds ready customers, for his horses are the kind the country wants. This lot are practically all horses that have made good in Scotland, have held most desirable premiums, and their get are among the best in the country; not one of the stallions but will reach the ton and over when properly conditioned. Meadowfield [11576] is a bay-roan seven-year-old, by Barometer, a son of the champion, Benedict, by Baron's Pride, dam by the Cawdor Cup champion, Royal Garty. He is a draft horse from the ground up, weighs a ton, and is remarkably smooth. Royal Banff [11696] is another seven-year-old, brown, by Michael, who has proven so successful since coming to Canada, dam by the H. & A. S. first-prize horse, Royalist, grandam by the world-renowned Topgallant. He is a horse of great scale and character, particularly good at the ground, that will easily reach the ton when in condition. Starlight [10974] is a bay six-year-old, by the famous breeding sire, Boreland Pride, dam by Goldenberry, grandam by Prince Albert. This horse, in strong company, was first at Kelso, first at Jedburgh, and fourth at Edinburgh, and his dam won many championships. He is a horse of superb character, very toppy and stylish, with the best of underpinning. Baron Galloway [8482] is a bay six-year-old, by the renowned Baron of Buchlyvie, dam by Earl of Smithfield. This horse has proven a most successful sire in Scotland, his stock coming well to the front. He has won many prizes, is a big, rangy, toppy, stylish horse, and a most desirable horse for any section in this country. Arnprior [10437] is a brown five-year-old, by the sire of champions, Baronson, by Baron's Pride, dam by the Cawdor Cup champion, Royal Garty, grandam by the famous Darnley Yet. There is no better bred horse, and he is a right good one, big, smooth, and his bottom is the best. Brigadier-General [11577] is a brown four-year-old, by the great Sir Hugo, dam by the noted prize horse, Royalist, grandam by Gallant MacAmion. He will weigh a ton, and is the ideal draft horse all over, with immense strength and character. He won second at the Royal Northern, and had the Kilmann and Cowal Premium last year. Pride of Helsington [11578] is a bay two-year-old, one of the low, thick, smooth kind, that finish up to the ton in weight, sired by Ardlothen, dam by Look Again, grandam by Bay Garnet. In females, this shipment had four, one bay five-year-old, by the noted prize horse, Baron Mitchell, one bay four-year-old, by Fyne's Pride, one brown three-year-old, by the great Baronson, and one bay three-year-old, by Royal Derby. These mares are all in foal. They are big, drafty, mares of grand character, and their underpinning is right. There, there is, for sale, one Hackney stallion and one Standard bred stallion, the former a grand all-round actor, with style and power. White Bell Swell [9570], a black four-year-old, by the Marquis, dam by Standard. The Standard bred is Prince of Wales [11903], W. T. R., by Prince of Wales, dam by Wildbrino. Parties who are interested in draft horses should see this lot.
