The Central Foundry, Limited, capital \$200,000, has been granted a charter by the Ontario Government for the object of conducting a general foundry business in Toronto. H. L. Bowers, of Toronto, is among the provisional directors.

—Various are the methods suggested of commemorating the victory of a Canadian, William Sherring, of Hamilton, over competitors from all the world at the Olympian Games at Marathon, Greece. What seems to us the most acceptable was suggested in Hamilton, namely, that a memorial of the event should take the shape of a monument to the spirit of pure athletics. Concerning this the Montreal "Gazette" says: "The figure would be of bronze, representing a runner, reproducing the figure and muscular development of Sherring, and Mr. Philippe Hebert of this city, is suggested as the sculptor. This is a vastly more sensible idea than presenting the young man with a house and lot. Monetary compensation is foreign to the spirit of amateur sport. The idea of a monument is not a new one, for it was practised by the Greeks. Let the monument be chosen, and it will always stand as an encouragement to amateur sport."
