Our August Reduction Sale.

Quality is the fundamental principle in good storekeeping. It costs no more in the transportation, handling, storing, insurance, display and advertising good qualities than for poor.

Dealing may safely be closer in good quality stuffs, quantities may safely be larger, satisfaction and good will will assuredly be greater.

Most stores prefer the cheaper quality and larger profits, or big profits on high qualities.

We can afford smaller profits. There is more money to be made on 100 yds selling with 5 cents per yd profit than on 30 yds bearing 10c. profit—this is the way we're situated. We work on the 100 yd selling basis with the smaller profit.

Quality is our watchword. Our August Reduction Sale presents many mighty values. There are big reductions in all Departments. Every Bargain is a genuine Bargain, backed up by our Reputable guarantee of Satisfaction.

FARM PRODUCE TAKEN SAME AS CASH.

FROST STEEL GATES

The strong features of Frost Fence are combined in the Gates. A special feature is the frame of continuous steel tubing. This is vastly stronger than a frame with elbow corners and malleable castings. The heavy wire filling insures against sagging.

The public is warned against buying gates that infringe against Frost Wire Fence Co.'s patent, as purchasers as well as users are laying themselves liable. For sale by
