Drink all the Stout you like. But drink the Stout that "likes you"—

O'Keefe's Special Extra Mild STOUT

Never makes you bilious —because it's pure and old. 85A

May be ordered at 47 Colborne St., Brantford.

ECHO PLACE IMPROVEMENTS

Over 140 Residents of That Locality Attend Meeting —Interest in Work.

The regular meeting of the Echo Place Improvement Association was held in the Mohawk Park School last night, over one hundred and forty being present. President, J. J. Burke was in the chair.

The most important matter discussed was the building of sidewalks in Echo Place. A petition for sidewalks had been sufficiently signed and the Township Council have already acted upon it. Mr. Geo. Hall stated last night he had been told by County Clerk Watts that he did not think it advisable to go ahead with the work, which would necessitate the issuing of debentures, owing to the high rate of interest. There was no assurance given that the money would be raised next year. The ratepayers decided last night that the walks must be built this summer at any cost.

Mr. Smythe suggested that a committee from the association be appointed to meet a similar committee from Belleview and Grandview to co-operate in order to place the requirements of the suburbs mentioned before the Township Council.

The above was made a motion and seconded by Mr. F. T. Morrow.

It was moved by Mr. G. W. Hall, and seconded by Mr. H. Craddock, that the matter be laid over for a month, which was done.

Mr. J. L. Barnes, chairman of the picnic, has called a meeting to be held at his residence to-night to make final arrangements for the event, which will take place at Mohawk Park, July 19.

Mr. F. J. Morrow, chairman of the light committee reported on the meeting which was held at his residence two weeks ago. Plans have been drawn for the proposed locations of the street lights and presented the plan to the Township Council at the meeting on Monday.

Mr. Wm. Ellis, acting secretary of the Brant Motor League, while talking with a number of the members of the association, after the meeting last night, suggested that the Motor League and the Association ask the Township Council to oil the road from the city limits to Cainsville, owing to the volume of dust caused by passing automobiles. It is considered dangerous on account of cars going by, leaving a volume of dust, and pedestrians passing over the street, could not see approaching cars The dust is also distructive to fruit.

When the Skin is Hungry.

Sometimes after an illness, especially in case there has been increase of temperature, or when one has passed through some period of stress or anxiety and consequent sleeplessness, the effects are apparent in the face which has a drawn expression and the skin dry and showing finely traced lines. The skin is then what a beauty specialist would call hungry, and a little friction and skin food are required to restore its freshness. One should also drink plenty of water, eat simple, nourishing food, and go to bed reasonably early, sleeping in a room filled with fresh air, all of which tells on the condition of the skin and one's looks generally. Under conditions such as those referred to above, you will be surprised to find how hungry the pores of your skin are for a little nourishment. Each tiny mouth absorbs its food so rapidly that there will be no grease left on the face at all at the first few applications. After bathing your face in warm water or scrubbing it with a camel's hair complexion brush, which is a splendid stimulant to the circulation, dry the skin with a soft towel and begin the massage. Dip your fingers into the cream or skin food and rub gently, using a rotary motion, always in an upward and outward direction. On the forehead let the direction be up and down between the brows outward. When the pores have absorbed all the food they require, wipe off the remaining cream with a soft cloth or handkerchief.

Following is a formula for skin food: White wax, 1 ounce; spermaceti, 1 ounce; sweet almond oil, 4 ounces; cocoanut oil, 2 ounces; tincture of benzoin, 30 drops; orange flower water, 2 ounces. Melt the first four ingredients together over hot water. Take off the fire and beat until nearly cold, adding little by little the benzoin, and the orange flower water.

$100 REWARD $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting noture in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonals.

Address F. J. CHENEY and CO., Toledo. Ohio.

Sold by all druggists, 75c.

Take Hall's Family Pills for constipation.

NERVOUS TROUBLES ON THE INCREASE

They Are Due to an Impoverished Condition of the Blood

Nervous exhaustion—or neurasthenia, as medical men call it—is one of the greatest evils of the present day, for it is destroying the life and energy of thousands of men and women, or worse, driving them to insanity. The causes of this trouble include overwork, mental strain, worry, indiscretions, and sometimes it follows la grippe. The signs of this trouble are usually great weakness after any exertion, nervous headaches, trembling hands, shakiness in the legs, irritability of temper, weak digestive power, insomnia. The life of the sufferer becomes full of miseries.

The true treatment for this trouble must consist of a building up process, for the above signs mean that the exhausted nerves are calling for more nourishment from the blood supply. Dr. Williams' Pink Pills make new rich blood that feeds the starved, complaining nerves, and in this way they have cured thousands of times neurasthenia, neuralgia and other nervous disorders, and have restored strength and nerve-energy to despairing people. Mrs. Isaac Wilson, Calabogie, Ont., gives thanks for having been restored to health through the use of this medicine, she says: "When I began using Dr. Williams' Pink Pills I was a nervous wreck; I couldn't do my work, could not sleep at night, suffered from nervous headaches, and the least noise would completely upset me. Only those who have suffered from nervous trouble can tell what I endured. I doctored for a time, but did not get any benefit. Then I learned of Dr Williams' Pink Pills and sent for a half dozen boxes. By the time I had used these I was almost well, and a couple more boxes completely restored my health, and I have had no return of the trouble. I can cheerfully recommend Dr Williams' Pink Pills to those who suffered from any form of nervous trouble."

If you are weak, nervous, or out of health began to cure yourself today with Dr. Williams' Pink Pills. You can get them from any medicine dealer or by mail at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

PREPARATIONS FOR THE BIG WEEK

Over 2000 Lights Required For Agricultural Park Carnival.

Col. Frances Ferari, the owner of the big show which will appear at Agricultural Park next week, was in the city yesterday for a brief stay. He assured the officers of the ball club that Brantfordites would be delighted with the attraction and he was well pleased with the location secured.

The special trains afrive Saturday night, and arrangements have already been made to unload from West Brantford, the cars being at Onondaga during the week. Work was started yesterday on the lighting of the grounds. Over 2,000 lights will be required and the local company had to send away for more transformers.

One of the thrillers of the week will be Carlstrom's daily flights. The aviator flies over neighboring towns each day, dropping down from his machine complimentary tickets. The carnival has been extensively billed throughout the country and a big influx of visitors is expected all next week.

ARE YOU A DYSPEPTIC?

Nine people out of ten suffer from dyspepsia and don't know it. Half the pale cheeks, poor appetite and sleepless nights are the direct result of dyspepsia. The cause lies in failure of the stomach and kidneys are clogged, and unable to do their work. Nothing puts vigor into those organs so fast as Dr. Hamilton's Pills. They tone up the whole digestive system, regulate and strengthen the stomach, absolutely cure dyspepsia. Simple to take and sure to cure—better try Dr. Hamilton's Pills.
