CELEBRATING THE EXCHANGE

Motorists From Ontario and New York Meet on Niagara Bridge.

Buffalo, May 19.—At noon today representatives of the Ontario Motor League and the New York State Motor Federation will meet on the upper steel arch bridge at Niagara Falls to celebrate the beginning of the automobile license exchange between Ontario and New York.

The New York delegation will include President Maurice M. Wall, of the federation, and members from Rochester, Syracuse, Rome, Utica and New York. With the Ontario motorists will be representatives of the Ontario Government. After the exchange of greetings, the Canadians will be guests of the Americans at dinner.

Under the reciprocal arrangement made with New York and Michigan, motorists from these states will be permitted to enter Ontario and remain for a period not to exceed 21 days without taking out an Ontario license, and Ontario motorists will have a like privilege in Michigan and New York.

Suits to recover alleged dollar rights in millions of dollars worth of New York real estate will be begun by Mrs. George Washington Adams of Boise, Idaho.

The latest recruit of the 215th battalion is Mr. Lloyd E. Smith, a former employe of the post office mail carrying department. He enlisted yesterday. Mr. Smith resides at 178 Marlboro street, and is married.

RELIEF SHIP FAILED TO REACH HEADQUARTERS

Dr. Hovey Sends Cable Messages to New York Society.

New York, May 19.—The first direct word from the MacMillan Crocker Land expedition to be received since September 12, 1915, reached this city today in two cable messages to the American Museum of Natural History, sent Wednesday from Thorshavn, Farce Islands, and signed by Dr. Edmond Otis Hovey, head of the relief expedition, and Maurice C. Tanquary, zoologist with the party. The messages tell of the failure of the relief ship Chuet to reach the headquarters at Etah, and ask for another relief ship to be sent at once.

Knud Rasmussen, the Dutch explorer, who is leading an expedition of his own into Parry Land, is supposed to be with Dr. Hovey at present. Tanquary's message tells of the effort by Rasmussen to bring the party out, and urges quick work in fitting out a ship.

GERMS OF DISEASE should be promptly expelled from the blood. This is a time when the system is especially susceptible to them. Get rid of all impurities in the blood by taking Hood's Sarsaparilla, and thus fortify your whole body and prevent illness.

"CANADA CUBS" ARRIVE AT SAN DIEGO FAIR TO ADVERTISE THE DOMINION Through the instrumentality of the Grand Trunk Pacific thousands of American tourists visiting the San Diego Exposition will this year make the acquaintance of the "Canada Cubs," four young black bears taken from the sporting territory along the line of the new transcontinental.

These bears have been made a part of the wonderful Canadian exhibit which is in charge of Col. W. Hutchison at the Exposition in the southern Californian city. Col. Hutchison a few weeks ago wired Mr. R. C. W. Lett, Tourist and Colonisation Agent of the G.T.P., saying, "Can you send us four bear cubs?" A week later the youthful bears went forward from Winnipeg in a nice wire-lined crate, with full instructions to the railwaymen as to housing, feeding, travelling, etc. The four cubs were members of the family and they were fed on oatmeal and milk administered twice daily. Immediately upon their arrival at San Diego Col. Hutchison declared that they should be known as the "Canada Cubs," and he wired to Mr. Lett, "Canada Cubs have arrived in first-class condition. Many thanks for your trouble in the matter."
