"He Profits Most—Who Serves Best"

And the merchants on this page who are asking for your trade are very much alive to this truth. They challenge your incredibility. They ask you to make use of the service which they have builded for your accommodation. Use the telephone for your request for what they offer, and put their service to the practical test.

Delays Are Dangerous

Most every prescription is wanted in a hurry, but there are often delays, because there is such a variety of drugs, chemicals and preparations that only a few drug stores can carry a comprehensive stock.

One of the advantages in bringing your prescription to our dependable store is that you will get exactly what the prescription calls for without unnecessary delay, and our prices are always reasonable, considering the superior drug service rendered.
