THE SITUATION

their success. The British troops continue to smash forward in the Struma region, while the French are pressing the centre of the Bulgar line. On the left wing the Bulgars, heavily reinforced, are stubbornly resisting the march of the Serbians towards.

The Ontario Motor League will post with the magic fan of water-lily pends the mach of the Serbians towards the further watched in the Serbians towards the further watched in the success. The British troops "Oh, please," wailed Jane from the bed. "Please do let me go this time."

Spanish doll with a rose in her Couldn't—you just fan me with the magic fan of water-lily pends the mach of the Serbians towards the watched in the Serbians towards the watched in the Serbians towards the success of constant time."

Spanish doll with a rose in her the bed. "Please do let me go this time. Couldn't—you just fan me with the magic fan of water-lily pends and a bright kimono, a Spanish doll with a rose in her the bed. "Please do let me go this time."

But, oh, my! my! Do you know that ride through the moonlit clouds that ride through the mach add a doll of me? Then if I move the fairy forest seemed all at once to blur, and even before she was out the march of the Serbians towards cops will have to be further watched the balloon." Monastir, but the troops of King with watches. Peter are pressing steadily on.

British House yesterday, said: "This is no time for faltering counsel or wavering purposes. This war cannot be allowed to end in some patched. up, precarious and dishonoring compromise, masquerading under the name a single moment longer than is neces. Spanish Leader Makes De-

EX-PREMIER AT LONDON ing in London, of the Liberal Club their present attitude and Federation of Ontario, Sir Wilfrid traffic, in order to avoid the loss of Laurier was the principal guest. He millions of dollars devoted the first part of his speech Levant ports. Senor Domine, howto an attack upon the Ottawa Government, mainly with regard to civadded that the government must deil expenditures during war time. In fend national interests so as to prethis regard he also made an assault on party patronage, which he admitted had obtained under both that the call of the country.

A demand for an interpellation sides, but should now be ended. One on the subject was rejected. of the statements he made was as follows:

"Liberalism at the outbreak of the war had deemed it a duty to abandon party considerations and to endeavor to assist the Government."

How? It is true that an extension of the life of Parliament was agreed to, but after events have shown that this was mainly because the Liberal Chiefs did not feel themselves ready for a contest. In proof of this we have the recent statement of Hon. George Graham, that no further extension will be acceded, so that he and the other Grit manipu- By Courier Leased Wire. lators do not object to a war time election, if they deem the time is party attacks have been most freq- gers by exposure to the X-ray in hosuent and most mendacious, especial- pital work. ly by the Kytes and the Carvells.

With reference to the war, Sir that as an aftermath there should soldiers. The loss of his first finger be militarism in the Empire. He did not deter Dr. Menard from folalso argued that "the policy of Britain in the past should not be different from the policy in the future," exposed to the action of the X-ray. in the respect named. To this it are subjected to a localized disease may be remarked that had John Bull been as ready on land as he was on Dr. Menard's experiments at the cipitated this conflict. No sane able a few days ago to locate and man wants to see in the future, the creation of any such thing as the creation of any such thing as the Creation were meaning. At the same Prussian war machine. At the same throughout the Empire under which as Entringer, at St. Cloud, Daniel citizens, by a sytem of prior training, should be readily available in case of need. Very precious months of the county will be readily available of need. of need. Very precious months freight train. were lost in licking Kitchener's

army into shape. Sir Wilfrid also discussed the attitude which he considered the Allies should adopt towards Germany after the war. He contended that the German authorities should be held responsible, and not the German people, and after hostilities they would co-mingle in peace with other people, and repudiate despotic aims. As a matter of fact, the right hon. gentleman has no ground whatever for such an assumption. All the evidence goes to show that the phrase "Germany over all" is just as deeply ingrained in the hearts and aspirations of the German people as in those of the Prussian war lords. Namby pamby considerations should not enter into any final dealings with such an outfit.

The Allies have told King Constant ne to dismantle or else his defensive

Valuable Suggestions for the Handy Homemaker-Order Any Pattern Through the Courier.

LADY'S SHIRT WAIST. By Anabel Worthington.

The hood collar is only one of the attractive features of this blouse. For some of the general smartness credit is due the broad revers stitched to the fronts and formed of contrasting goods and outlined with a one-inch hemstitched

The fronts of the blouse are gathered at the shoulder seams and the diagonal closing is another successful style treatment. The full length sleeves are set in, rather full and have straight cuffs to match the revers and collar.

Japanese silk is only one of the materials easy to launder and suitable for such blouse, which is of a most serviceable design. All one material will give a smart blouse and the revers may be left off, if you do not fancy the frill effect, as the closing outline, bood collar, wrist length sleeve and open neck speak the season's style. The pattern. makes every detail clear and convincing for you to reproduce the design.

The waist pattern, No. 7,986, is in sizes 36 to 42 bust measure. To make in size 36 will require 234 yards of 36 inch plain fabric, % 3 and of to the office of this publication.

36 inch figured or other contrasting goods, or 27% yards of all one material. To obtain the pattern, send 10 cents

07\$5.50 Petrograd, Oct. 12.—via London .- The following official anuncement was made here to-

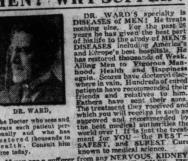

"In Dobrudja an enemy air squadron dropped bombs on Constanza (the principal Ron-manian Black Sea port) and also poisoned sweets and garlic infected with cholera bacilli."

Cost of Many Necessities There Goes Very High —Coal \$50 a Ton.

Rome, Oct. 11, via Paris, Oct. 12 .- The resumption of Austro-German submarine attacks is causing grave concern in Italy, where the prices of coal, wheat, lumber, scrap iron and other imports have trebled within a year, owing to the prohibitive freight rates. Coal now costs \$50 a ton. The railroads have a stock of 200,000 tons, however, and are not likely to be interrupted during

the winter.
