

## Imported "Booze"

Shall the importation and the bringing of intoxicating liquor into the province be prohibited?

WHILE importation of intoxicating liquors into "dry" provinces was forbidden by war-time Order-in-Council, Ontario's jails were half empty.

Since that order was rescinded, imported "Booze" has been filling them up again.

### Jail Commitments

—Before and after the Federal war-time Order-in-Council prohibiting importation of liquor into Ontario was rescinded:

Commitments for Drunkenness.	Commitments for All Crimes.
1919 ..... 3,415	1919 ..... 13,096
1920 ..... 4,511	1920 ..... 14,756
Net increase, 1,096.	Net increase, 1,660.

Imported "Booze" is demoralizing social conditions, breeding a disregard of law, endangering the home and menacing the youth of this province. Imported "Booze" is defeating the expressed will of the people.
