TO THE ELECTORS.

LADIES AND GENTLEMEN,

Having reconsidered the matter I have decided to offer my services as Alderman to the City for 1907. Should my past record be approved of by you I respectfully solicit your vote and influence.

I recognize the necessity for a close scrutiny of all expenditures during the coming year if we are to reduce the present high rate of taxation. If elected I will advocate the appointment of a superintendent of the Board of Works Department, as this is the chief source where the money is expended which the Council controls.

I do not purpose making any personal canvass as I believe in allowing Electors to decide matters pertaining to the welfare of the City without regard to their personal relations to the candidates.

Wishing you the compliments of the season, I remain,

Yours respectfully,
CHAS. AUSTIN

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

Having been asked by a number of the ratepayers to offer myself as a candidate for the Board of Education for 1907, I hereby do so, and if you think I am worthy of the position, I take this chance of asking you for your support, as I do not favor personal canvassing. If you see fit to elect me, I will do all in my power for your interests.

Yours truly,
WM. SOMERVILLE.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

At the solicitation of a number of the ratepayers, I am a candidate for the Board of Education. As it will be impossible for me to make a personal canvass, I take this opportunity of soliciting your vote and influence. If elected, I shall, as in the past, do my best to further the interests of education in the city, with the least possible expense.

Yours very truly,
W. N. MORLEY.
