FASTEST SPEED ON ST. JOHN RIVER

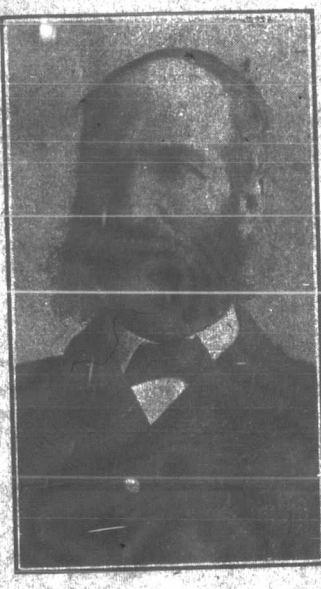

Hartland Driving Club is Entitled
to This Claim and Invites Doubt-
ers to Come and Try Con-
clusions

Tuesday was certainly a "great
day for the race," and a fair
number of spectators witnessed
some beautiful, clean sport on the
track at South End. The first
heat would have been the fastest
but the strapping of DeWitt's
harness broke and caused a slow
finish.

Last week Cassie W. was pro-

was 37 and this week 34. Both
these colts are very promising.
It is prophesied that Lady
Dufferin will reach Class A. be-
fore the season ends. With Faye
M. coming close alongside of her
this was a pretty race.

On Tuesday some outsiders
made the statement that he had
a horse that could trim anything
in the Club, provided they would
make it \$50 to the winner. The
money was promptly put up by
the members the the challenger
has yet failed to reappear. The
money is waiting for any non-
members who will come next
Tuesday and win in Class A or
Class B.

Too well known to need mention of their names, the faces of
the late S. Hayden Shaw and his widow, will be greeted by a host
of Observer readers, especially those in the west and other far-off
places.

noted to class A, but there being
no other starter in that class she
lined up with Lady Bell. With
the exception of the first heat, it
was a neck-and-neck race and
Lady Bell might have won the
heat but for her accident.

In Class C, Sweet Alice was
driven by Burr Shaw who had
never driven before. Little Alice
is a bird and Dr. Macintosh needs
to keep a very straight face when
he says she has never been raced
before. The little beauty knows
all about racing and would hard-
ly need a driver at all. Out of
the corner of her eye she watch-
ed her running mate all the time.
She of her own effort speeded up
for the finish and the instant she
passed the wire she knew she
was through and instantly slow-
ed down. Molly Wood won the
second heat fairly and was at all
times by the side of her running
mate.

Last week Gray D. beat Neddie
Man but made better speed this
week. His best time last week

The Soldier Candidate

The secretary of the returned
soldiers' committee that was ap-
pointed on Jan. 14 reports that
the committee will meet at Hart-
land today. He says it is possible
that a candidate will be chosen
and that his name may be an-
nounced in a few days. Accep-
tance of the soldiers' proposal by
the three political parties is look-
ed for.

NEW PRESIDENT FOR U.F. CO-OP.

C. L. Smith Retires as Head of the
United Farmers Co-operative
Co., N. B., Ltd.

A meeting of the directors of
the United Farmers Co-Operative
Co., N. B., Ltd. was held at the
Company's office on January 22.
Many important matters were un-
der consideration, such as extend-
ing business into newly organized
districts, considering the new
issue of by-laws about to be prin-
ted, purchasing of seeds, etc.
Among other matters taken up
was the resignation of C. L.
Smith as president and member
of the Executive Board. Owing
to the illness of Mrs. Smith (who
is in Washington) which made
it necessary for Mr. Smith to be
away from home the greater part
of the winter, he felt that a youn-
ger man could better serve the
interests of the company. The
directors were unanimous in ex-
pressing regret at the necessity
of being compelled to accept Mr.
Smith's resignation, and the fol-
lowing resolution was passed:

"We the Directors here assem-
bled regret very much the neces-
sity of accepting Mr. Smith's resig-
nation, due to causes over which
we have no control and regret the
illness in his family, which nec-
essitated his absence to day."

Harry Rogers of Northampton
was elected president, Mr. Pool
of St. Stephen, 1st. vice president,
Scott McCain of Florenceville,
2nd vice president.
