JUST LIKE A HOUSECLEANING

Every room needs an occasional "Cleaning up", no matter how carefully the regular sweeping and dusting is done. Especially is this true after any unusual event, a party, a wedding or a quilting bee.

So it is with your body. No matter how regular your habits or well cooked your food, there comes a time when you don't feel just right. You may recall an unusually hearty meal or two, irregular hours, or eating something that "didn't agree with you", or it may be just the "dust-gathering".

In any case a few doses of a really good cathartic is all you need to put you right. For this purpose nothing is quite so suitable as

Chamberlain's Tablets

Two or three after supper the first night, and one each night for two or three days, and your digestive apparatus is just like the well-cleaned room. Every part of your body is more vigorous, you go about your work with a new feeling and begin again to enjoy life. Are these benefits not worth getting? You know they are.

There is no objection about beginning them for fear you must "keep it up". The effect is just the opposite.

Somewhere at the Front—

Every day boxes from home are going to the boys in the trenches. And of the things they get, a great prize is **WRIGLEY'S**—the Gum with Lasting Flavour.

It takes the place of food and drink in case of need—which is often. It keeps spirits up—gives vigour and vim. A packet in the pocket lasts a long time.
