MR. EDITOR:—An interesting en-ertainment was held in the school-suberb residence, but it retains most Dry Goods, Groceries,
Hardware, Crecteryware,

Lettainment was neid in the school bouse at Shemogue on Tuesday evening, 25th. It was given by the evening, 25th. It was given by the of strange passage ways, hidden school, or rather, by the district. The school-house, the largest and knows not whither, and antique hest in Botsford, was very beautifully decorated by the ladies with mottoes, moss wreaths and autumnal lsaves. A dark and rainy night did not prevent about two hundred people from attending. The Louse was filled with those who were anxious 1677. What the mystery of Glamis o encourage common education.

I dare not ask you for space for so known save the master of Glamis long a pragramme. It contained for the time being or his eldest son some very amusing dialogues and and heir, to whom he is bound to scenes, which were really ideal, yet communicate it when that son and ideally real. These with recitations heir maintains his majority. The were interspersed with choice pieces present Earl of Strathmore and This Ware will last any family during of music—choruses, quartettes and their life-time, and can be willed to their children after them.

Only the property of children after them.

A Terrible Fate.

DEATH OF A NOVA SCOTIA WOMAN THROUGH HER DRESS CATCHING

HALIFAX, Oct., 30.—On Friday a tainment will not be of interest to the readers of your valuable paper, but it must be and is a matter of pleasure to all who have an interest in the education of the young, to know of the success of any school in our country. The trustees have spared no pains to furnish the useful abundance of soft coal at our very doors.

The perfection of COMBUSTION and in the education of the young, to know of the success of any school in our country. The trustees have escape of gas into the room as it is completely consumed while passing through the flame. It is also a passing through the flame is a same of the successary articles; and with respect to Mr. Spence I take the flames, and heard her agonizing cry for God's sake save my child it is Most Powerful Heater liberty of saying that he has proved himself to be not only a competent and can be readily controlled. The lack teacher but a good citizen and a man of this feature has been one of the chief himself to be not only a competent one of the chief faults with all Soft Coal Stoves, and is completely overcome in the DENMARK. A fire can be kept in it for TWENTY-FOUR HOURS without replenishing. I have now one in operation in my shop, and sak for it a thorough inspection. I am satisfied it only requires to be seen to be admired by all.

I have arranged with E. Cooswell & Co., the Manufacturers in the Maritime Provinces, for the exclusive sale of this Stove (in two sizes) for the Parishes or Sackville, D-recketer, Westmorland and Botsford. I have also a full line of superiors. The children are to be governors. Botsford. I have also a full line of COKING, Hall, Parlor and Office STOVES manufactured by the same firm, all of which I offer at LOWEST market rates and on reasonable terms.

education. The trustees are to be praised for their wisdom and care as governors. The children are to be praised for their devotion to study, and the teacher for his hard and faithful toil in work that is second at the cook stove warming at the cook stove warming. her back, that she vainly rolled her self on the mats to extinguish the fire, and that the child's dress caught We are told that the hereditary
