A good deal of interest was taken by the spectators in the base running and Mall throwing competitions, for which the league gives prizes every year, and which are always held on Labor Day. R. White, of the Britannias, won the base running competition for the third time in succession. His time was 151-5 seconds. In 1905 and 1900 he made the circuit of the bases in 15 seconds.

City League ball games of Saturday and the holiday made no change in the order of the standing, but the Saints closed up the gap between them and the Brits. The defeat of Britannia by the Saints in a well-played game was the Saints in a weir-playar the event of the series. The Brits seem-ed to be unbeatable. They had won every game they had plaved in 13 weeks, and had made a clear record of sixteen and had made a clear record of sixteen consecutive victories, thirteen of them being league championship games and three inter-city championship games with Brantford. On Saturday the Saints put "Wallie" Smith in the box, and he held the Brits at his mercy, allowing them only two hits. Yesterday the Britannias won two games and the Saints one. Each team has now played an equal number of games in the second series. The standing is:

WHITEWASH FOR BRITS.

Jennings had an off day at second, but, in other respects the Saints played a beautiful game in the contest with the Britannias at 4 o'clock. It was a clean, Britannias at 4 o'clock. It was a clean, sharp and pretty game, and a pitchers' battle from start to finish. All the scoring was done in one inning, the fourth, in which the Saints made three, an error starting the mischief and a bunch of hits following. Outside of that one inning Simpson was invincible. W. Smith, for the Saints, issued three passes, but the total amount of the Britannias' hitting was two singles. Score:

## Close of the Hamilton Lacrosse Season Here Yesterday.

Hamilton Cricketers Defeated the Chicago Wanderers-David Dexter won Bowling Match in London, Erg. -- Fort Erie Races Came to an End

The local lacrosse season came to a Barke close at the cricket grounds yesterday afternoon, and the end was not a fitting Byrne .... one by any means for the Tigers. The Hamiltons-a crippled team, howeverwere defeated by the Royal Canadian Reds, an Indian team from the Grand River reservation, by a score of 6 to 1. When the timer's gong sounded there was a free fight among the players. Some of the Tigers were very sore at the way the aborigines were putting it over them, and two or three of them showed their teeth in the last half. Just over them, and two or three of them showed their teeth in the last half. Just before time was up Henhawk, the Indian who has been on the Hamiltons' pay roll all summer, jumped onto one of his opponents, and the two redskins fought fiercely. Others jumped in to separate them, with the usual result. Sticks and fists were used, and several heads were cracked. A crowd surged on the field, and the trouble was soon over, after the timer's gong sounded. Some of the players may have thought it was the gong of the police patrol, for they moved rapidly toward the dressing rooms.

There was only a fair-sized crowd present, and the game was only a fair one from the spectators' point of view. The Indians at times played a brilliant combination, as they were allowed to run loose a good deal, but when the Tigers checked in close they were not able to do much. They would not have had a look in with the senior team that represented this city in most of the C. L. A. games. Some of them ran fast and passed well, notably the Bumberry brothers. Only four of the Hamilton's paid brigade were on the field the rest of the

Hamilton Cricketers Lost in the Queen City Yesterday.

The Hamilton Cricket Club played the The Hamilton Cricket Club played the Torontos at Toronto yesterday and lost a most exciting game. The Torontos went to bat first, and as six of their men retired for between forty and fifty runs, it looked as if Hamilton would win. However, the uncertainty of cricket was demonstrated again, and three batters ran up a score of 93. The Torontos made 137 runs before their last wicket was lost. Greening and Henderson batted exceedingly well, the former making 35 and the latter 40. A. E. Ferrie also got double figures—13. Hamiltons were all out for 117. WANDERERS BEATEN HERE.

The Wanderers, of Chicago, were defeated here on Saturday afternoon by an eleven representing the Hamilton Cricket Club. The Hamiltons went first to bat and scored 250 for eight wickets, when they declared their innings closed. W. R. Marshall batted magnificently for 80 runs not out and Hope Gibson and G. W. White each made 47. The others to get double figures were R. B. Ferrie, 39, and Boddy 12.

Only one of the visitors got double figures—R. Edwards, 47; Hope Gibson's bowling being a puzzle to their Windy City batsmen.

Toronto, Sept. 3.—The fifth game of the Chicago Wanderers was played yesterday with the Rosedale C. C. at Rosedale and resulted in one of the most exciting finishes possible. The Wanderers were first to bat and were all out for 76. Rosedale followed and made 68 for 4 wickets. The fifth fell at 72. With five wickets to go down they needed only five runs to win. Of the five runs required they only succeeded in getting two and lost out by two runs—76 to 74. Wookey (21) and Reid (45) scored double figures for Rosedale. The Wanderers, in the second, had made 67 for 9 wickets, when time was called, Mr. Bolster, whom it was thought had his shoulder broken, is improving rapidly. The Buffalo trio were R. Hadley, H. Coward and C. Kenerson. It is quite probable, incidentally, that at the short distance Longboat and his friends them selves looked for no such result, and when the men took the track Longboat was much more confident.
