The I. C. R. Disaster. PICTON, N. S., Sept. 29.—Wednesday's terrible disaster on the I. C. R. near Westville was even more serious than at first reported, and resulted in the death of six persons and serious injury to several others. The dead are: Michael O'Brien, of Antigonish, driver of special, unmarried aged 40. D. W. Henderson, his fireman, of Stellarton, married, aged about 24; son of Don Henderson, of the railway mechanical department at Stellarton. James Sproule, driver of the miners' train, aged about 64, married, belongs to Pictou Landing. J. McKenzie, his fireman, married aged 33; belongs to Pictou Landing. Martin McDonald, Lyons Brook. Martin A. Cameron, aged about 20, son of Hugh Cameron, of Scotch Hill. The injured are: Blackmore, a miner, jaw broken in two places. John W. McDonald, aged about 29, son of John McDonald, riggers, Pictou; limbs broken and had concussion of the skull; he will probably die. Clifford McMillan, a young man, son of Dan McMillan, I. C. R., and nephew of Rev. John McMillan, Halifax, who was en route to New York, had his leg broken and his head badly cut. The scene at the wreck was one never to be forgotten. The two once powerful engines now in a mass of unrecognizable from the passenger cars and splinters, the mangled remains of the unfortunate victims lying by the wreck with knots of relations watching over them, was a sight which would make a strong man quail. The engine of the passenger special ploughed through the other engine, crashed into the tender. Both are locked together in an indescribable mass of twisted and destroyed metal, while the rails are warped and the track torn as if by a hurricane. The destruction of property was terrible and the condition of the dead horrible. The question is, How did the accident occur? This is hard to get at. Operator Money was night man at Stellarton and the working train was given correct orders by him. The operator at Westville gave his special train orders and it is reported the orders were to cross at Acadia nearly a mile this side of Westville, but whether this is true or not could not be verified. "Someone has blundered" is all that could be got from any of the officials at the station. Conductor Gordon received slight injuries about the head, but was able to walk back to Stellarton to give the news of the accident. He was in the act of taking up tickets when the smash occurred. The supposition is that the crew of the special train saw steam at the Acadia station and took it to be the steam of Gordon's special. This is a customary place for trains to cross, but it is usual for a train hand to give a signal when the working train is up the Acadia siding. This was not the case yesterday, and perhaps accounts for the accident. An I. C. R. employe told your correspondent that it was the worst accident in the history of the I. C. R., and had it occurred on any other special excursion day of the exhibition it would have been the most disastrous ever heard of in Canada. Ten years ago last spring Engineer Sproule had a most miraculous escape of his life. His engine at an early hour was waiting at the Stellarton station. He jumped off and went into the office for orders, and as soon as he got inside the door his locomotive exploded, killing three men and considerably damaging the station house. No Right to Ugliness. The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her hair and skin in good condition. If she is nervous, bright all run down, she will be nervous and irritable. If she has constipation or liver trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at any Drug Store.

His Life Was Saved. Mr. J. E. Lilly, a prominent citizen of Hamblin, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise. This marvellous medicine is the surest and quickest cure in the world for all Throat and Lung Trouble. 50 cents and \$1.00, at any Drug Store; every bottle guaranteed. Sixty-Two Children. A remarkable tale of human fecundity is told by the London Daily News. An Italian peasant woman named Granata, married at 28 years has borne 62 children. She began with a single daughter, followed by six boys at a birth, then by five more, and these by triplets twice and four at a birth. After this she limited herself, like ordinary women, to single babies and twins, but wound up with four.
