PRICE THREE CENTS

SECOND ANNUAL CON- CERT GREAT SUCCESS

Newcastle Choral Society Delight a Large Audience on
Tuesday Evening

While its first annual concert last year was a most decided success, Director Henderson and the members have still more cause to feel elated over their second annual performance, which was held in the Opera House on the 23rd instant. It was one of the most successful musical affairs Newcastle people have ever witnessed. Mr. F. S. Henderson has shown himself a most capable director and Miss Annie Quinn as accompanist won high praise.

The members of the Society taking part in the concert were the following:

Mesdames O. Nicholson, P. Russell, J. Ferguson, Allingham, A. E. Shaw, S. J. Demers and Charles Sargeant; Misses H. Sweezy, M. Hubbard, H. Morris, Olive Williamson, L. Williamson, Mae Morrison, L. Harley, M. McGregor, N. Lingley, Molly Hennessey, A. Morris, E. McLean, M. Stothart, E. Payne, J. Lyon, M. Lawlor, Trixie McAuley, J. Calder, J. Gremley and Messrs. John S. Johnson, H. M. Gough, Rev. W. J. Dean, D. Ray Morrison, McG. Fitzpatrick, Jas. Calder, W. J. Jardine, Dr. Jos. Hayes, James McMurray, J. M. Douglas, J. E. Andrews, A. E. Shaw, G. P. Burchill.

The Hall was most appropriately decorated, and was pretty well filled with listeners.

All the principals in the different parts did their work admirably

and were well sustained by the rest of the members.

The results of the Choral Society's efforts, like those of the St. Patrick's concerts, go to show that Newcastle people have in their vicinity as first class musical and dramatic talent as can be found in any town of the size and in many larger places. The principals in the last five numbers were dressed in national costume.

The program was as follows:

MORE SMALLPOX

Eleven cases of smallpox were quarantined at Doaktown last week, and there are several cases between Doaktown, Millerton and Redbank. It appears that two Frenchmen and another man who have been working on the Wm. Richards Co. drive on the Little Southwest Miramichi were taken ill with smallpox and are at the head waters of the Miramichi in a very serious condition. Another man named Welsh, who lives at Millerton, is down with the disease. All the men who were on that part of the Richards drive made for their homes and the health officers have had a lively time following them and placing them under quarantine.

KILLED BY LIGHTNING

In Tracadie Sunday night Miss Ellen McLaughlin, aged 19, was struck and instantly killed by lightning, while walking home from a friend's house.

ANOTHER SAD RESULT OF ALCOHOLISM

Richard Tabert Of Barryville
Drowned at Ferryville
Thursday Night.

Richard Tabert of Barryville, came to Chatham Thursday, hired a horse from Mr. Druet and drove to Millerton. He returned through Newcastle and Douglstown late that night, and his horse and carriage and later his own body were found in the ferry slip at Ferryville next morning. Deceased was about thirty-five years old and unmarried. He leaves two brothers and a sister. Deceased was known as a heavy drinker. He is supposed to have driven off the wharf, thinking the boat was moored to it.

HOW TO TREAT SKIN TROUBLES

Greasy Ointments of No Use—The
Trouble Must be Cured Through
the Blood.

It is not a good thing for people with a tendency to have pimples and a blotchy complexion to smear themselves with greasy ointments and such things. In fact they could do anything worse, because the grease clogs the pores of the skin making the complaint worse. When there is an irritating rash a soothing boracic wash may help to allay the pain or itching, but of course it doesn't cure. Skin complaints arise from an impure condition of the blood and will persist until the blood is purified. Dr. Williams' Pink Pills have cured many cases of eczema and skin disorders because they make new, rich blood that drives out the impurities, clears the skin and imparts a glow of health. Mrs. S. L. Peterson, Brandon, Man., says: "I suffered for years from eczema, which brought with it other troubles, such as a poor appetite, headaches and weakness. The portions of my body affected by the eczema gave me constant torture from the itching and heat. I tried several doctors and all sorts of lotions and ointments, but did not get the least relief. Finally I was advised to try Dr. Williams' Pink Pills, and decided to do so. After using the Pills for some time the irritation and heat began to grow less and I seemed in better health otherwise. I continued taking the Pills for several months and every vestige of the trouble disappeared, and my skin is again as free from blemish as in youth. Given a fair trial Dr. Williams' Pink Pills will not disappoint those suffering from skin eruptions or weakness of any sort."

Dr. Williams' Pink Pills cure all those troubles due to poor blood, rich, red blood. That is why these pills cure common diseases like anaemia, rheumatism, lumbago, sciatica, neuralgia, headaches, indigestion, St. Vitus dance, and the general weakness and special ailments that only women folk know. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

CHATHAM SCHOOLS

SONS OF TEMPERANCE SEMI-ANNUAL MEETING

Demand Juvenile Courts, Public Playgrounds, Inspection
of Liquor and Better Enforcement of Law

The Sons of Temperance Grand Division of N. B., met in St. John Wednesday night and Thursday, May 24—25, G. W. P. Edward S. Hennigar in the chair, Rev. W. R. Robinson, Grand Scribe.

The North Shore was represented by Grand officers Rev. R. H. Stavert of Harcourt and H. M. Ferguson of Rexton.

Reports showed three new divisions organized and a net gain of 91 members in last six months. Membership is now about 3000, of which more than 600 are in Kent and Northumberland counties.

In its semi-annual report the Kent and Northumberland District Division asked and strongly urged the Grand Division to cooperate with it in demanding from the Dominion and Provincial governments the following amendments to the Canada Temperance Act and Provincial License Law (sections 1 and 2 of which were moved by H. H. Stuart and Harold C. Stothart and unanimously adopted at its quarterly meeting at Harcourt, January 20th, 1911, and unanimously re-adopted, with section 3, recommended by Rev. W. J. Dean, H. M. Ferguson, A. L. Babrick, H. C. Stothart and H. H. Stuart, committee on the state of the order, added at the last quarterly meeting, held in Newcastle, April 7th ultimo):

1—From the Dominion Government:

(a) That no liquor shall be imported into a District under the Canada Temperance Act by private individuals, all liquors required for legal purposes to be purchased from Vendors appointed by the said Government and residing within such district;

(b) That all persons arrested for drunkenness be compelled to tell where and from whom they obtained their liquor, imprisonment to be the penalty for those refusing to tell;

(c) That each government Vendor of alcoholic liquors be required to annually publish a complete statement of business done by him during the year;

(d) That the privilege of obtaining prescriptions for liquor from Medical men residing outside of district under Canada Temperance Act be done away with, the only exception to be the case in which the medical man nearest to the patient resides in an adjoining municipality.

2—From the Government of New Brunswick:

(a) To prohibit the importation of alcoholic liquors by any person or persons into any non-license district in said province;

(b) That all persons arrested for drunkenness, whether in license or non-license districts, be compelled to tell where and from whom they obtained their liquor, imprisonment to be the penalty for those refusing to tell.

3—From both governments such improvements in the method of enforcing liquor laws as will bring the Canada Temperance Act and New Brunswick License Law to as effective a standard as the Prohibiting Law of Nova Scotia, viz.:

"The finding of liquor on any premises to be, until contrary is proved, deemed evidence of intent to sell, although no bar room appliances may be present; law officers to have power to search for and seize liquor without warrant; the finding of liquor con-

cealed or falsely labelled to be prima facie evidence of intent to violate the law; prosecutions for second offence to immediately follow first conviction, and no appeal from decisions of Stipendiary Magistrates."

The above drastic and radical propositions not appealing to the majority of the delegates, the Grand Division on Thursday adopted the alternative recommendations of the Grand Scribe, which were made the policy of the Grand Division, as follows:

(1) Consider the great need of supervised public playgrounds. They should be in every organized community.

(2) The establishment of Juvenile Courts and an industrial university for the protection and salvation of young offenders and would be offenders against society.

(3) The proper classification and segregation of offenders.

(4) The establishment of a farm where drunkards may have a chance to redeem themselves. This has been tried in other provinces and in many of the states to the south of us, with good effect and is now past the experimental stage.

(5) The more rigid enforcement of our laws governing the sale of cigarettes to minors. In many communities officials make no attempt to enforce this law. In St. John it is openly violated.

(6) While prohibition is the goal, let us make the most of our present liquor license act and have it properly enforced, and seek, with the aid of the Moral and Social Reform Council, Temperance Federation and other kindred societies, such amendments as will make it easier for a man to do right and harder to do wrong.

(a) That all liquor should be thoroughly inspected.

(b) Treating should be prohibited by law.

(c) Saloons should close at 12 a. m. Saturday and 7 p. m. every other day.

(d) That all liquor should be consumed in the barroom of the licensed premises.

(e) The penalty for selling to minors and interdicts should be increased.

(f) All saloons should be open to public inspection.

(g) Those who suffer through the traffic should be able to collect damages from the saloon keeper for injury and loss sustained. This would safeguard the rights of the suffering mother, wife and innocent children.

(h) The placing of an agent in the field to organize and fight for prohibition and moral and social reform.

Rev. C. Flemington, Rev. R. H. Stavert, Rev. W. R. Robinson, W. L. Kirby, and J. R. Woodburn were appointed a committee to carry out this policy in New Brunswick.
