desperate attempt, to destroy the monu-ment over the tomb of Count Cayour. It seek four strong men to take the madman

The Daily Neiss of Montreal states that an English Company is in the course of formation, having a capital of \$100.000,000, for the purpose of building a railway through Canada to the Pacific. upon the basis of the land grant and money subsidy as sanctioned by the Dominion Legislature. Music in Public Schools .- Mr Win-

terbothsm addressed the English Flower of Commonstately in an enthusiastic ples for music, as a subject which Mr Forster should not have left out of the New Code of special instruction. Mr interbotham id not be explained, set for the music of the special special struction. Mr interbotham id not be explained, set for the music of the special m addressed the English Housenslately in an enthusiastic plan

The New York Herd says; "There are now seyenty-two productones in the United States who race salaries of \$1,000 and upwards, best women for min r post offices. The post stress at Louissille Kontacky, receas \$6,000; at Springfield, Ohio, \$40. The office filed by women are reped at Washington as among the best maged under the Government.

Forty Soldiers Killed by Mexi-Galveston, Texas, April 12 -A special despatch from Austin, Texas, to the Galveston News says: — Keard and Chihushus, for Fort Buson was attacked assistate boundary by a band of Indians, Keard, his wife, and five other Americans, were killed. The Chihushus fron the consequence of the control of the

tier trops parsued the murderous band acress the boundary into the United States and killed and approved 80 Indians. The United States troops at Fort Graining that the protect the Indians, and came in collision with the Mexican soldiers. A first ensued, in which the commanding officer at Fort Goodwin and 40 American collisions were killed and the commanding officer at Fort Goodwin and 40 American collisions were killed and the commanding officer at Fort Goodwin and 40 American collisions were killed and the commanding officer at Fort Goodwin and 40 American collisions were killed and the commanding collisions were killed and the collisions and Mejor Otter were appointed executive and range officers.

Mr C.S. Gzowaki, Lieut.—Col Ross and Major Gemund were elected upon the Executive Committee for the match. The President was authorized toprocure a number of Snider-Enfields and Martini-Henry rifles as prizes, to procure a Ladies Cup. soldlers were killed. The Mexican soldier numbered 200.

a person who was passing found the woman lying dead, with but very little clothes or her. A Coroner's Jury was empanuelle-and a post mortem examination held. She

was round to be much bruised, but there were also evidences of apoplexy and own gestion of the brain. It appeared from the evidence adduced that the harsh treatment that this woman had been subjected to, therefore, only hastoned her death. The jury rendered a verdict accordingly.

Destitution among London Jews is ported: a festival held lately was a means of raising £200 for their benefit

U. s. Finances.

consistely fixed weight for a certain number of inches, but the experience of the late Dr. Hutchinson is worth having, if for acting except its peculiarity. The Doctor studied the weights of his healthy patients, and, after some thousands of trials, came to the conclusion that the following was about the correct thing:

Height. Woight.

5 feet 2 inches. 126 pounds.
5 feet 3 inches. 126 pounds.
5 feet 6 inches. 147 pounds.
5 feet 6 inches. 155 pounds.
5 feet 7 inches. 155 pounds.
5 feet 8 inches. 157 pounds.
5 feet 9 inches. 158 pounds.
5 feet 1 inches. 158 pounds.
5 feet 1 inches. 158 pounds.
5 feet 8 inches. 158 pounds.
5 feet 9 inches 158 pounds. We venture to say no Government has ver made so magnificent an exhibition of two years financial work as that which we publish this morning. The increase in receipts over those from '67 to '69 has

with a ring, appropriately inscribed but being at loss what to have inscribed upon it, called upon his father for advice. "Well, 'said the old man, "put on, "when this you see remember me." The young lady was much surprised a few days after at receiving a beautiful ring with this in-scription: "When this you see remember father." Brutt Conauci of Yankee Soldi

Meeting of the Council of the Ontario kifle Association. A cored woman named El za seth Gaul A corred woman named El za eth Gault apwars of sixty years of age, who has been living sith one Philip Mort.n in the sub-orbs of and with was found dead on Sunday night last in a ditch clone to her residence. It appears that this house has lately been frequented by drunken American soldiers and other persons bearing disreputable characters. On the night in question, even soldiers from Fort Wayne. Michigan, crossed in a boat to Sandwich, and repaired to this house, being well and

A meeting of the council of the Ontari Rithe Association was held at the Secretary's office, Toronto, on Monday last President—Mr. C. S. Gzowski, Lieut-Col. Durie, Lieut-Colonel Gillmor, Lieut-Colonel Gracey and Major Crofts.

The minutes of the previous meeting were read and confirmed.
The President presented the annual report of the Association, and informed the Council of the steps taken in regard to the Wimbledon team. the arrangement's with

Michigan, crossed in a boat to Sandwich, and repaired to this house, being well supplied with whiskey. This they caused the lid woman to drink, and they themselves for house randered the night hideous by shouting, dispeing, swearing and other most disgraceful acts, which were continued by them till one o'clock on Monday morning. Two of the soldiers then caught the woman in their arms and dragged her out of doors, the rest following. The man Morton who had also been till used, was afraid to follow the men. In the morning a person who was passing found the woman Wimbledon team, the arrangements with he National Rifle Association, and the thife Association.

The Council express a hope that the donation from the mother country, and the recognition of the usefulness of the Association by the Legislature of the Province, will stimulate the institutions and people of Ontario, outside of the volunteer organization, to aid the Association in the work it has an successfully commenced, by

organization, to aid the Association organization, to aid the Association work it has so successfully commenced, by spontaneous aid to its funds, and by shore arry memberships and donations, without which it cannot carry on its operations with an and without compelling its members and without compelling its mem which it cannot carry on its operations with success, and without compelling its members to sue for support, as they have been hitherto obliged to do from year to year. It was resolved that the annual prize meeting of the Association be about poned until Monday the 26th June, in order to escape conflicting with the formation of Brigade camps.

Besides making Count Von Bismarck a prince, the Emperor William intends that he shall receive an acknowledgment from the nation of 1,000,000 the less. rigade camps.

It was moved by Lieut. Col. Gilmore,

olved. That the list of prizes, as presented by the treatment of prizes, as presented by the President, be adopted; and that the Secretary take steps to have the same printed and issued at once.

The following were appointed a Committee of Arrangements: Major Croft, Captain McCleneghan, Judge Macdonald Lieut. Col Glmore, Lieut. Col. Gracey and Major T. G. Scoble. Lieutenat Colobel Major T. G. Scoble. Licutenant Colohel Denison and Mejor Otter were appointed

Henry rifles as prizes, to procure a Ladies Cup, and to effiliate with the National Rifle Association for 1871.

Washington, April 12. The War phapertine to has not received any advices folding to the reported fight between the United States troops and Mexicans on the Cexas frontier.

The meeting than adjourned.

Fishing for speckled trout does not commone until the first of May next, and the term expires on 30th of September. The Game Protection Societies are determined to see that the law is anforded this year. The meeting then adjourned.

OPENING OF THE WELLAND (ANAL-The St Catherine's Limes speaking of the Welland Canal, on Wednesday, says: — 'This great thorough fare was opened at 120 clock last right, and since the suspicious event vessels large and small have commonred their tellsome progress. It need not surprise any one acquainted with this old Niagas set that such an occ the hearts of our people with joy. The Weather Signals.

An Iron Circle of Mess.

Dr. Russell, in one of his last letters from Versailles, tells us the real nature of the iron circle with which the Germansur-rounded the French capital. He says:—
the iron circle with which the Germansur-rounded the French capital. He says:—
the iron circle with which the Germansur-rounded the French capital. He says:—
the iron circle was for four months and more liberty parts was for four months and more bound by an iron hoop which France cond not break There sere 500,000 men.

So 500,000 men outside. So 500,000 men were kept in by a band of 250,000 men. Iron will yield. It can be filed asunder or rusted or cut. But the 'iron circle' round Paris, tried by heat and by cold, by fire and by freat, by file and by point, never gave way. The minor is this iron circle' A circle is a well defined idea. There ought to be no rift in its circum that income the major to the end. Where is this iron circle' and hy now, nor a fence of wood, nor lines of a circle at all. There is not a wall of forts, nor continuous enternehments, nor parapets; in the fact, nothing one can call 'times' at all. No. The 'iron circle which was around Paris was made of MEN. For four months the Prussians stood on the defensive. Every sortic against them had failed. The reasons of the failure were the fire of fixed batteries from the intended front, which swept the troops before they could debouch and form theironic trenched front, which swept the troops before they could debouch and form theironic trenched front, which swept the troops before they could debouch and form theironic treasons of the failure were trenched front, which swept the troops before they could debouch and form theironic treasons in a track. Of the men based and his family. He may while he sends her fort to flough, dig, or carry burdens for him for the form the form theironic treasons of the failure were the sum of the form the f
