INSOLVENT ACT OF 1359.

When heroic acts are done in daily life. In the matter of William Meyers Hil showing a higher courage and sense of duty than bravery on the battle-field, or on the deck of sinking vessels, a heroine liard, an Inscivent. HE Insolvent has made an Assign made a short address, being particularly happy in his remarks and showing great sympathy with the young minds he was instructing. During the evening the reports of the Secretary and Treasurer were read which showed that the School was in a very flourisbing state, over \$170 having been collected during the year.

The land very that made an Assign ment of his Estate to me and the Creditors are notified to meet at the late place of business of the Insolvent in a young school-girl, studied telegraphing last summer, and in August accepted a situation at Radnor, a station on the Pennsylvania Central Railread, board.

damson and Graham. Moved by Mr. Adamson, seconded by Mr. Graham, that the Secretary he in-structed to request the Reeye to call a special meeting of the Council with the view of re-considering the deliverance of the Council upon the application of the High School Trustees for the erection of a High School. The Trustees tion of a High School. The Irustees respectfully submit that the report of the Committee ought not to be delayed for one month, but that they at ence take action in securing a site and proceed with the erection of the School. We do not think it would be advisable to the securing a site and proceed with the erection of the School. to encroach upon the grounds of the Central School, as they are required for the school, as they are required for the school, and for other reasons it would not be advisable to have the High School in close proximity to the

respecting their share of M. L. Fund money, and other business connected with the corporation.

By law No. 3 was read and passed.

Moved by D. McIlwain, seconded by Wm. Kinahan, that the Reeve sign the following cheques:

John Liddy, \$15; Mathew Carrol, building culvert on 2nd and 3rd cons., \$7.45.

that the sum required by Mr. Fowler from the County is \$400,000. The fact is he only asks for \$5,000 per mile which would make the entire bonus from Haron only two hundred thousand. As Goderich will doubtless give half that sum, the balance can easily be given by other municipaltics.—Star.

The Star is, itself, in error. The statement complained of was taken from the Expositor, and is substantially correct. At his meeting in Seaforth, Mr., Rowler stated that he would require a County bonus of \$5,000 per mile, and in addition to that a bonus of \$100,006 from the town of Goderich, and \$25,000 from Seaforth, if the road passed through

April 4th.—Fall Wheat \$1.24 to \$1.31. Spring do \$1.15 to \$1.16. Barley \$1.25 to \$1.27. Oats 46c to 48c. Peas 68c to 70c. Rye 65c to 70c. Butter 30c to 35c. Eggs 13c to 14c.
