Although he has rented his farm, we are glad to learn that our esteemed 1st Deputy Reeve has no intention of leaving the township. He last week purchased the house and five acres of land belonging to J. P. Sullivan, situated between this place and Kintail. This will give "Joe" an ample opportunity of keeping his hand in by gardening, etc., while he will be able to rest from the more laborious work of farm life. Mr. Griffin is an excellent neighbor, and he expects to stay here and grow gray among his friends in the township of Ashfield.

**Leoburn.**  
The public examination of S. S. No. 5, Colborne will take place on Friday 21st inst., commencing at 1 p.m. There will be an entertainment in connection with the examination. The parents and friends of education are cordially invited to attend.

**Kintail.**  
Isaac Hodgins is around again after his long illness. We hope he may soon attain to his usual strength and vigor. A concert will be given by the pupils S. S. No. 3, (Lane's school), this Friday evening. A large attendance and a good time are expected.

**Lawrence O'Fly.**  
Lawrence O'Fly left for California one day last week. He will be greatly missed in this section of country, for he was always regarded as a good and expeditious workman in his usual line of business, and gave general satisfaction to all who employed him. May success, and a large fortune be his lot in the West.

## AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1881 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

Mrs. EMMA GEDNEY.

120 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried. A. J. CRANE.

Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. E. BRADON.

Palestine, Texas, April 22, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRADON.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
