Mr James Steward, of the 3rd concession of Tuckersmith, LRS, cut a large field of fall wheat on Tuesday last, the 17th inst. It is an excellent crop, was fully ripe and will yield from 28 to 30 bushels per acre. This is the earliest harvesting we have heard of this season.

Miss Maggie McNair, Brussels, met She was lighting a coal oil stove at G A the guests of Mrs Tobin this week. Deadman's residence and while holding the burning match in her hand her apron and dress ignited unknown to her and ole was burned in these articles before she got the fire out.

years and six months whose father works in a saw-mill at Bluevale, was drowned in the mill pond at that place on Monday afternoon. He with some other boys were play on the logs in the water, when, without being seen by any of the others, it is supposed he slipped in. Some of immediately made for the body, which church. was discovered close by. It is supposed he was in the water fully half an hour. When found life was extinct, although every effort was made at resuccitation. Much sympathy is felt for the bereaved

Another Seaforthite is distinguishing himself abroad. Since his arrival at Wimbledon, Staff Sergeaut Alex Watson, of the 33rd battalion, has been doing excellent work as a marksman and seems destined to do his share of keeping up the credit of the Canadian He has won several valuable prizes. On Tuesday, in the competition for the London Corporation prize for Indian and Canadian volunteers, he atood at the head of the list with a score and a cup. The second score was 315, triumphs for him yet. Private Fulton, that part of the village. of Middlesex, won the Queen's prize with

a score of 280. We note with pleasure that Mr James a good application of paint. Mr Winters F Roberts, of Seaforth, has passed a most wields the brush. ccessful and creditable examination at the College of Pharmacy, Toronto. He was awarded the college gold medal for general proficiency in all branches and stood at the head of the list of graduates. This is particularly creditable in view of the fact that the examination was a particularly severe one, only 16 per cent of the students passing, whereas in former examinaions about 37 per cent were successful. (In this occasion 28 were successful and to stand at the head of such a class is an honor of which Mr Roberts may be justly proud. We hope his success as a student is a correct index of the success which will attend him in after success which will attend him in after then they have been for tell years past, life. Among the others who graduated high lying farms to grass crops, and also we notice the names of Messrs F R Price and J H Watson, Goderich, and Mr H. and J H Watson, Goderich and Mr H. and J H Watson and Mr H H spell their ravages may be serious. B. Combe, Clinton.-Expositor.

A week ago last Wednesday, Isaac Fisher, Colborne, sold thirteen head of eattle, the aggregate weight of which amounted to 17,560 lbs. The price paid was \$60 a head. Mr Fisher keeps good stock and it pays him.

Goderich Township.

One of the stalwart young men of Archie McLaren, of Philadelphia, is visiting his father in Dublin. Mr McLaren has become much attached to the Quaker City and has succeeded in establishing quite a lucrative trade in the furniture line.

One of the stalwart young men of Goderich attended a pionic some distance down the shore last Friday. There was a boat on the beach, and the young man and his best girl took formal possession and went out for a row, he working in a sturdy fashion at the oars. After having rowed out in a straight line for more than tour he found that his knowledge of Chas Lloyd, of old Wingham boy, and an hour, he found that his knowledge of chas Lloyd, of old Wingham boy, and who has been on a tour through the Southern States during the past four years, returned to town last week. Charlie has many friends in 4town, who welcome him back home. drove to Goderich, hired a boat, went to the rescue, and towed him in to shore. Goderich township, has rented fer farm of 80 acres to Mr John Weir, for \$225 a. He was over three hours vainly endeavor

CANADIAN MINERALS.

Fine Exhibit from the Province of Ontario.

From the Cincinnati Commercial Gazette. The Centennial Commissioners extended an invitation to the Government of the Province of Ontario to take part in our Exposition. The invitation was accepted, and the result is now to be seen in the park building, where are shown over ten tens of the various minerals of Ontario, representing over four hundred distinct entries and over two thousand distinct entries and over two thousand the prolific crops in the Prairie Province would be evaggerated. It is estimated specimens. The exhibit is interesting and instructive. An idea is given of the 20,000,000 bushels and other grains in and instructive. An idea is given of the mineral wealth of a country that Americans have not considered particularly rich in that respect, and because the minerals and ores are exhibited in their natural condition.

There is a magnificent collection of the condition of the cond

pyrites. Over forty mines are represented. cents per gallon.
