WHEN PURCHASING A

MOTOR ENGINE

Don't listen to the man who tells you that the Gasoline Engine is the ONLY ONE, or to the man who says the Kero. Oil Engine is the ONLY ONE. They are both good when used for the work they are most suitable for.

We don't bind ourselves to any particular make, because we want to be honest with the purchaser and give him the Engine which will suit him best.

We Sell GASOLINE and KERO. OIL ENGINES, and always have them in stock.

Be sure and find out from us which Engine will suit you best before buying. We have had the experience and know what will suit your work.
