Closing Exercises at Litledale.

On Tuesday morning at 11.30 the closing exercises took place at Litledale. A very nice programme was arranged and gone through. Instrumental and vocal solos and quartettes were finely rendered, after which a drama in three acts "Gowned before Dawn," was presented in a style that spoke eloquently of the care and training and attention of the devoted nuns and Mr. Hutton; and decidedly reflected great credit on all who so generously give their time and talents to the training of the young ladies and children under their charge. Where all acquitted themselves so creditably it would be difficult to name individuals for special mention, but the Misses O'Connor, Byrne, N. Fitzgerald and Smart all distinguished themselves.

Following the dramatics the distribution of prizes, after which His Grace made a short and happy speech in reply to an address which the nuns had at the opening of the programme, presented him with.

The Premier, Sir E. P. Morris, also spoke and congratulated all concerned upon the success which had attended their efforts in the past and on that day, and wished them even greater success in the future.

Amongst those present, besides His Grace, the Premier, Lady Morris and Lady Horwood, were all the city clergy and many from outlying districts, Canon and Mrs. Bolt, and Monsieur De L. Arrouge, the French Consul, and Mrs. Fraser. At the conclusion of the exercises His Grace the Archbishop, the Premier and Lady Morris and the clergy were entertained to a banquet, delightfully served by the good Sisters. The prize list and programme will appear in to-morrow's issue of the Evening Telegram.

Annual Sports at St. Bonaventure's.

The St. Bon's sports were held yesterday afternoon and were just as successful as in former years. Although the weather was not all that could be desired, yet the attendance was large. Those present included His Excellency the Governor and Mrs. Davidson, Capt. Beech, A.D.C., His Grace the Archbishop, Rev. Mons. Reardon, Rt. Hon. Sir E. P. Morris, Hon. J. Harris, M. W. and Mrs. Purdie, J. McLaughlin, with Revs. Bros. Ryan, Cullane and others of the teaching staff, as well as a large number of admirers of the College.

The programme of events was:

A specially interesting event was the March Past and Figure Marching by the students, under the direction of N. Duchemin. At the close His Excellency the Governor and His Grace the Archbishop presented the prizes to the winners. The Victors Ludorum were N. Duchemin, D. Keegan and A. Kelly of the respective grades. The cricket shield, won by the St. Bon's in the inter-collegiate series of games for three years, was presented and received by N. Duchemin on behalf of the eleven. During the evening teas were served by the ladies connected with the St. Bon's Association. The splendid music, discoursed by the C. C. C. band was also a source of enjoyment.

Harcourt read the following telegram from the Acting Governor General: "Prime Minister desires me to say that the Government and people of Canada have learned with the greatest pleasure that H.R.H. the Duke of Connaught has consented to one year's extension of his term of office as Governor General, which has been already fruitful of the best results to Canada. All rejoice that Her Royal Highness may also be seen with him in the full enjoyment of her health." Referring to Strathcona, Harcourt said the laurels, or should he say the maple leaves of an unselfish, industrious life made a crown to his ripe, old and honored age.
