KYANIZE

Is a wonderful product, it makes old woodwork look like new, and is a money-saver for every family. It is made in clear and seven popular colors, dries hard with durable, glossy finish, can be easily cleaned, and is very sanitary.

KYANIZE

was especially made to stand hard usage—on floors and street cars; but it is the best finish ever made for all interior woodwork—chairs, bookcases, desks and all kinds of furniture.

You can use it yourself with wonderful results.

Why?

Some of our friends have asked us why we handle the 5 Star Trade Mark line of Shoes in preference to others.

Well, we'll tell you.

For women we have "White House," "Mansion" and "Usona" Shoes. For boys and girls the "Buster Brown" line. Brown's Shoes are—
