(BRONCHITIS)

writes,-"Some time ago I was stricken down by a ago I was stricken down by a very severe attack of bronchitis. I could hardly breathe, —in fact was in such a serious condition that the doctor said there was practically no hope of recovery. PEPs were advised. I tried them and could feel an improvement almost at once. I continued using PEPs and in a short time my bronand in a short time my bron-chitis was a thing of the past."

PEPs are something entirely different. Unlike ordinary cough mixtures, syrups, etc., they do not attempt to cure an ailment of the throat, chest, or lungs, by going to the stomach! PEPs go to the lungs and breathing pas-sager direct. Each little PEP contains the warming, healing, stimulating vapors of the pine forest, together with other medi-cinal extracts. As soon as a PEP is placed in the mouth, these health-giving fumes are released and are breathed down the throat and bronchial tubes drawn and bronchial tubes drawn the street and bronchial tubes drawn the street are throat and bronchial tubes drawn the street and bronchial tubes drawn the street are the street and bronchial tubes drawn the street are ect to the seat of the trouble! For coughs, colds, bro hoarseness, sore throat, astlana, and all ailments of throat, chest, and lungs, PEPs are the latest and best cure. All druggists and stores, 50 cents box, or postpaid for price, from PEPs Co., Toronto, Winning on Market. Winnipeg, or Montreal.

AVIATORS KILLED IN PRACTICE FLIGHT.

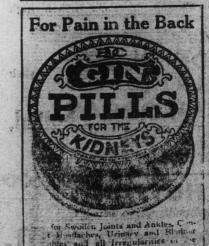

FORTWORTH, Texas, To-Day. Second Lieut. R. L. Johnson, Canadian Royal Flying Corps, and Sergt. ley, U. S. Aviation Section, were plane in which they were making a from this city.

THE SPY PERIL. NEW YORK, To-Day: In an address before the Canadian Club to-day at New York, John H. Rathom, editor of the Province Jour-nal emphasized the need for storner ed in the deliberations. I am pernal, emphasized the need for sterner measures against enemy aliens and German sympathizers in order to curb disasters like the Baltimore fire and permit the nation's war work to progress unhampered. He declared that at considerable length the reasons for internal conditions are growing worse and unless checked will mean the ferred to "Timidities and susceptibilimaintenance in the very heart of our ties" when it came to raising the quescivil and commercial life of a danger that will destroy half of our war value to ourselves and our allies. He asserted that German, spies are employed in army, navy work, munitions plants and in shipbuilding vards.

USUAL TREATMENT OF OCCUPIED TERRITORY.

ITALIAN HEADQUARTERS,

To-Day. (By Associated Press.) Information from the territory occupied by the Austro-Germans is to the effect that Cividale, Gradisca and Palmelova have been virtually destroyed by bombardment and fire. When the Austrians occupied Gorizia they ordered the whole town inundated (?) as a sign of rejoicing, which had to be done on pain of death. The black and yellow flag again waves in place of Italy's tri-color over the Castle of Gorizia Monfalcone, also in the hands of the Austrians, is again in full swing of activity. At the navy yard the Austrians have taken poswhich had been left by them when vain effort to pierce the western front they withdrew. This the Italians had in September of that same year would
