THE "SEAL OF HONOR."

LONDON, Sept. 15.
 A new plan to secure the absorption
 of one hundred thousand still unem-
 ployed or disabled army, navy and air
 force men into industrial ranks ap-
 pears to-day in the shape of a royal
 proclamation in which the King hold-
 ing a "clear obligation upon all" to
 acknowledge the sacrifice of these
 men in securing victorious peace,
 charges all employers of labor to bind
 themselves in high and solemn obli-
 gation to find employment for as many
 as possible. The names of such em-
 ployees shall be inscribed upon what
 shall be styled "the King's national
 roll." The employer thus inscribed
 will be entitled to use on his corre-
 spondence an official device, "seal of
 honor," indicating the share he has
 taken in the national obligation.

MUST REMAIN PART OF EMPIRE.

CAPE TOWN, Sept. 15.
 (Reuters).—Premier Smuts in a
 vigorous speech in Parliament has de-
 clared that South Africa must remain
 a part of the Empire and that it can-
 not secede. The Union, he stated,
 must not be torn apart by nationalism.
 Strongly urging the acceptance by
 South Africa of a mandate for South-
 West Africa, he declared that the Ger-
 man people of South-West Africa
 would prefer the united administration
 to any other. He believed that in the
 interests of the Union and of the native

population the territory should be ad-
 mitted by the Union. There had been
 derelicts in the territory during the
 war, but it would not be necessary to
 maintain a large military establish-
 ment. While he was satisfied that the
 country would quickly develop under
 the Union, there was no intention to
 interfere with the peaceful settlers
 who were Germans, and he trusted
 that they would become a great asset.
 It was to the interests of all that the
 country should be open for settlement.
 Premier Smuts challenged General
 Hertzog, leader of the Nationalists, to
 declare whether or not the National-
 ists no longer insisted on the separ-
 ate independence of the Transvaal.
 General Hertzog, leader of the National-
 ists, replied that the Nationalists
 congress would decide that. Whereup-
 on Premier Smuts declared the reply
 evasive and asserted that South Africa
 has no right to secede from the Em-
 pire.

NEW ZEALAND'S SOLDIERS' DEMANDS.

WELLINGTON, Sept. 15.
 (Reuters).—The New Zealand re-
 turned soldiers are asking the Govern-
 ment to grant a gratuity of one hun-
 dred and fifty pounds sterling (\$750)
 for each two years' service overseas.
 Two thousand returned soldiers to-day
 marched to the Parliament Buildings
 where Premier Massey and other party
 leaders promised that they would be

BROKEN THEIR FRONT.

LONDON, Sept. 15.
 Admiral Kolchak, in pursuing his
 offensive against the Bolsheviks, has
 broken their front in three places, ac-
 cording to official information reach-
 ing here to-day. An All-Russian coun-
 ter movement, it is stated, threatens
 to outflank the Bolshevik forces ad-
 vancing from Tobolsk.

TRYING TO REGAIN PLACES.

BOSTON, Sept. 15.
 A definite campaign to begin for
 the striking policemen places was of-
 ficially declared to have been lost be-
 cause of desertion of duty was expect-
 ed to be inaugurated to-day. This
 action was expected to depend upon
 the result of the conference between
 the Union labor leaders and Police
 Commissioner Curtis. The Commis-
 sioner at the request of Union heads con-
 sented to the meeting on an unofficial
 basis, but labor men said they hoped
 to obtain from it exchange of views
 which might be made a basis of nego-
 tiations.

A RUSSIAN PRETENDER.

PARIS, Sept. 15.
 Grand Duke Michael Alexandrovitch,
 brother of the former Russian Emper-
 or, who made his escape from Perm
 where he was imprisoned by the Bol-
 sheviki, has reached Admiral Kol-
 chak's headquarters, according to the
 Humanite. He is known to only a few
 of Kolchak's officers, the paper adds,
 and is preparing to act in the role of
 Pretender to the imperial throne.

TO SEND FOR BODY.

PARIS, Sept. 15.
 Marshal Foch has recently asked
 the Belgian Government to have a
 search made for the body of his son
 who was killed in August, 1914, in Bel-
 gian Ardennes. Foch has religiously
 refrained from mentioning his lost son,
 and few know that the younger Foch
 was killed in the war.

PROCLAIMED A UNION.

GENEVA, Sept. 15.
 Gabrielle D'Annunzio, supported by
 a force of Arditi which accompanied
 him into Fiume, has proclaimed a union
 of Fiume with Italy, according to
 advices received by the Serbian Press
 Bureau here from Belgrade.

NEW SEAM AT SYDNEY MINE.

SYDNEY, N. S., Sept. 15.
 The Scotia Company at Sydney
 mines has added another seam to its
 list of producers by development of
 what is known as the lowest seam of
 the present Jubilee mine. Develop-
 ment work on this seam has been in
 progress since October of last year
 and it has now reached such a stage
 that the company is in a position for
 further enlargements and increased
 tonnage.

FIRE BURNING OUT.

NEW YORK, Sept. 15.
 The spectacular oil fire which since
 Saturday afternoon has raged at the
 plant of Steens & Fleming Co. in Long
 Island City, with injury to more than
 fifty persons and property damage run-
 ning into millions, was gradually burn-
 ing itself out to-day.

MEMORIAL TO PEACE CONFER- ENCE.

SALONIKI, Sept. 15.
 Mohammedans in Eastern Thrace
 have addressed a memorial to the
 Peace Conference at Paris, energetically
 protesting against provoking
 measures taken against them by the
 Bulgarians. It is said that the Con-
 ference decides that Bulgarian control
 be retained in Thrace, Mohammedans
 will leave the country.

STATEMEN'S OPINION ON THE FUTURE.

LONDON, Sept. 14.
 Premier Lloyd George has issued a
 message to the people of Great Brit-
 ain on the future which will be dis-
 tributed free throughout the country
 on Monday. The Premier says: "Mill-
 ions of gallant young men have fought
 for a new world, which hundreds of
 thousands died to establish. If we
 fail to honor the promise given them
 we dishonor ourselves." Winston
 Spencer Churchill, Minister of War,
 also is a contributor. His article deals
 with the army, which he says in future
 will not be substantially larger than
 a pre-war army. "We are not going
 to be a Conscript Nation," says
 Churchill. "We are going to make the
 Germans abandon conscription and
 we are going to abandon it ourselves."
 Sir Auckland Geddes regrets that the
 production is out of gear because some
 miners are hunting for fairy gold,
 something for nothing; the result Sir
 Auckland asserts is the possibility of
 employment in all trades being reduc-
 ed and the price of food raised. He said
 that many other trades are acting in
 a manner similar to the miners. Dr.
 Addison foresees reforms in connec-
 tion with the welfare of home and
 mothers and children, and a campaign
 against unhealthy homes and over-
 crowding. Sir Eric Geddes visualizes
 on improved communications enabling
 workers to dwell in garden cities and
 factories being erected in country
 areas. George Barnes declares that
 the great mass of labor opinion every-

WANTS MILITARY PENAL CODE REVOKED.

WASHINGTON, Sept. 15.

 State Department to-day that the mili-
 tary penal code could be invoked to
 put down the mutiny of the Italian
 irregular soldiers, who under the com-

mand of Gabrielle D'Annunzio invaded

THE PROFIT ON SUGAR.

TORONTO, Ont., Sept. 15.
 "I shall not wait for the Board of
 Commerce to name an offender, but
 just as soon as we have word that any
 retailer is making more than one cent
 a pound on his sugar I will order that
 he be prosecuted," such was the state-
 ment made by J. S. Lundy, K. C. in an
 interview to-day. Mr. Lundy has been
 appointed by the Ontario Government
 to co-operate with the Board of Com-
 merce in reducing the cost of living
 and has been given very wide author-
 ize. He may call upon the city or pro-
 vincial police and Crown Attorney to
 take action against profiteers, and if
 he so desires the Provincial Govern-
 ment will appoint special officers to
 assist him.

"The Path They Trod."

MILITARY MAN LECTURES.

The lecture by Captain Edgar Pen-
 ney, M.C., in the Methodist College
 Hall last evening was not largely at-
 tended, but those who were there were
 rewarded with as fine a lecture as they
 had heard for some time. His Excel-
 lency the Governor, under whose
 patronage the lecture was given, was
 accompanied by Capt. A. Baird, A.D.C.,
 and received by the Minister of Militia,
 Hon. A. E. Hickman, who in in-
 troducing the speaker of the evening,
 briefly traced his career in the army.
 Capt. Penney was studying engineer-
 ing at Canada when he enlisted in the
 Princess Pat's. Returning from over-
 seas, where he had been wounded, he
 was transferred to the Royal Engineer-
 ers with whom he again went to
 France, there winning his Military
 Cross. The lecturer, taking as his
 title, "The Path They Trod," now be-
 gan and in a highly interesting manner
 told of the work of the British during
 the operations of '15-'18 and touch-
 ed upon the accomplishments of the
 Naval forces at Zebruggue and Ostend.
 Many lantern slides were used to il-
 lustrate for the benefit of his auditors,
 the scenes of which he spoke so
 graphically and well. Continuing, he
 told of flooded areas about Ypres, in
 which the British fought and lived
 after the great locks had been blown
 up; Hell Fire Corner, Irish Farm

(which has borne that name since
 1660), the St. Julien road, Passchen-
 dale (which was taken by Ours in
 January 1918), Hill 60 (which cost a
 quarter of million lives to hold), the
 mine fighting of the war took place),
 Loos, Hill 70, Vimy Ridge, Monchy-le-
 Preux, Albert (which was destroyed
 by the British in self-defence), St.
 Quentin, St. Pierre-Vaast Wood, the
 Nord Canal, the underground trenches
 of the Germans, and Cambrai, which
 the Huns destroyed merely to intimi-
 date its residents. The operations
 connected with the various places
 were described, as well as many per-
 sonal experiences, making the story
 one of deep interest and entertainment
 to all.

At the conclusion of the interesting
 talk, a vote of thanks, proposed by
 Capt. Leo C. Murphy, and seconded

Victory Cup Football.

In last night's game for the Victory
 Cup, the Collegians defeated the B.I.S.
 by 2 goals to nil. During the first half
 the B.I.S. secured four corners but no
 goals were scored. About 10 minutes
 after half time Coultas by a clever
 shot sent the ball past Whelan, scor-
 ing No. 1. After a few minutes play,
 H. Barnes scored goal No. 2, from a
 penalty. Quick received a kick in the
 knee which delayed the game for a
 few minutes. No more goals were
 scored. The players were—

B.I.S.—Goal, Phelan; backs, Ryan,
 Kelly; halves, Burk, Rawlins, Devine;
 forwards, Kent, Skinner, F. Phelan,

Motor Accidents.

On Sunday afternoon a three-year
 old lad named Heber Bugden, was
 knocked down by a motor car driven
 by a man named Randolph Carter, and
 another young boy, named Willis Bish-
 op, aged 6, was knocked down by the
 car of V. Pippy. The latter was cut
 about the face rather badly.

Created Disturbance.

A young man who had filled him-
 self up on the vile production created
 by Prohibition, caused a disturbance
 on Hamilton Street last night, and a
 crowd quickly gathered. The lan-
 guage used and for a time the atmos-
 phere was lurid. The arrival of a
 couple of police officers promptly put
 an end to the entertainment, and the
 inebriate was removed to the West
 End fire hall, where he was allowed to
 cool off and get rid of his load.
