Guelph Evening Mercury
TURSDAY EVEN'G., SEPTEMBER 7.
THE SECOND DAY'S POLLING.
All Piling up the Majorities!
THE TORIES NOWHERE!

WITH WELLINGTON SOUND TO THE CORE!
MURRAH FOR STIRTON & GOW!

At the close of the Polls last night, the following majorities of 290 for Stirton and 271 for Gow were announced amid mutual congratulations and cheers by the Reformers. They had done a noble day's work. They had completely beaten the Tories, who towards night had scarcely been seen—only one or two left wandering about the streets in the most disconsolate manner. The Reform Committees, along with a large number of Messrs. Stirton and Gow's supporters met at Casey's Hotel last evening. Mr. Stirton arrived at 8 o'clock, and was borne into the hall in triumph, where he and Mr. Gow were greeted with the most enthusiastic cheers. Both gentlemen made short speeches, in which they tendered their warm thanks to their friends, and congratulated them on the noble victory which had secured to the Reform cause. Mr. Gow also urged them to keep up their efforts to-day, and not relax their efforts until every Reform vote was polled. They were followed by Col. Higinbotham, Messrs. G. Elliott, R. S. Brodie, Thos. H. Hays, J. Massie, A. Thomson, R. Melvin, Buchanan, Dr. McGuire and Mr. Innes, who made short and stirring speeches. Cheers were then given for the three for the Dominion, three for Stirton and Gow, three for the MERCURY, and three groans for the Toryism.

At 10 o'clock, the Reformers will be seen by the returns in another column, our friends are doing good work to-day. We are holding our own in Wellington. In Guelph Township we are doing as well as yesterday, in Puslinch the polling has been done to one in our favor. To-night we will be able to show such splendid majorities as even our most sanguine friends do not expect. We have gained a gloriously victory, and the Reformers of Wellington may well feel proud of their success as soon as the full returns are received. At the close of the polls, an extra will be issued from this office as was done last evening. **and Demonstration To-night.** Arrangements have been made for a grand Reform demonstration to-night as we are our friends from Puslinch and Guelph Township reach town. A procession will be formed on the Market Square led by a Band of music and the Bagpipes—for the special edification of Messrs. Stirton and Saxon—and after proceeding through the principal streets, will halt at the Wellington Hotel, where Messrs. Stirton and Gow and others will address the electors from the Balcony. Let every man be present, and let us have a grand Demonstration in honor of our victory.

THE CENTRE RIDING.
MR. DOBBIN RETIRES.
 Mr. Dobbin has just received a special despatch from Fergus, to the effect that the nomination to-day, Messrs. Logan and Loghnan's friends had a contest when a mutual agreement was reached. Mr. Dobbin retires, and remains in the field as the Reform candidate.

Couldn't See Them.
 The lecturers were anxiously looking yesterday for the "extras" which the Advertiser promised would be issued from that office every hour, but they couldn't see them. Many enquiries were made in town about the fate of his "union" candidates, but no response could be got from their disconsolate friend and supporter, who during the afternoon forsook the public thoroughfares, and took to back streets and out of the way places, and shunned the presence of the public. Indeed so badly did he take the defeat of his Tory candidates to heart that the publication of the "Evening" was suspended, the office shut up, and the insignia of mourning distributed to the members of the establishment. When last heard from the "ostensible" was tearfully inditing a lament over the defeat of his Tory candidates, which will be sung to-night by all the wire pullers, to the doleful strains of "Villikins and his Dinah," the ostensible leading off, and all the rest joining in the mournful chorus.

Disturbance in Montreal.
 At the close of the poll yesterday in Montreal a disturbance took place at the Mechanics Hall. A riot then commenced, a shower of stones being directed at the hall. Every pane of glass in the front windows was broken. A free fight in the street followed, but the mob was kept out of the hall where Mr. McGee was, by revolver shots. The riot lasted twenty minutes, when the police and cavalry arrived. One man was seriously wounded. A later despatch says several parties were very badly beaten with clubs.—Seven or eight shots were fired. One man named P. Denequin, was shot in the arm, not very seriously, and another in the heel. Five or six parties have been arrested for disturbing the peace, and will be arraigned to-morrow. The riot was quelled the same night.

The Elections Yesterday.
 In South Victoria, Mr. Kempt, a Reformer, was elected by a majority of 200 over Cameron. In East Hastings, Mr. Read's majority was 639. Mr. Corby's majority 241. North Huron has elected Mr. Whitehead for the Commons by a majority of 615 over Holmes; and Mr. Hays for the Local Legislature, by 65 over Mr. Gibson. TO-DAY'S TELEGRAMS.
 Special Despatches to the Evening Mercury.

From San Francisco.
 San Francisco, Sept. 6.—The democrats have carried the State Legislature and the Municipal tickets in San Francisco by overwhelming majorities. The entire Union State ticket defeated, and it is very doubtful if one Union member of Congress is elected.

From New York.
 New York, Sept. 7th.—The Herald's Cleveland special says the Fenian Congress was called to order this morning. A committee was appointed to draft appropriate resolutions on the death of Mr. Thomas Francis Meagher. Various resolutions affecting the welfare of the Fenian brotherhood were received and referred to a committee, and among them was one expressing the feelings of the Congress in regard to the incarceration of American citizens in English dungeons. A letter was read from the acting Attorney General of the United States, to the effect that the Fenian arms in the hands of the Government had been ordered to be restored to the government.

From Baltimore.
 Baltimore, Sept. 7th.—A fire last night broke out in Jackson's coal oil refinery, and extended to the American Company's refinery. Loss \$20,000.

From London.
 London Sept. 6.—Recent despatches received from Alexandria seem to discredit the reports of the release of the English captives in Abyssinia. In the meantime preparations for an expedition to Abyssinia are progressing.

God had on earth one son without sin, but never one without afflictions. The road to heaven is soaked with the blood of fifty millions of martyrs. Rivers of water run down their eyes. Yet they all, even when on earth, regarded sin as the worst evil in the universe. Oh! avoid the very appearance of evil. God has a right to expect that you will now honor him. Do it, and he will honor you. But if you now sin against him, you shall be lightly esteemed. "Three things," said the Rev. Dr. Henry, "appear to have been uninjured by the fall: the song of birds, the beauty of flowers, and the smile of infancy, for it is difficult to conceive how either of these could have been more perfect had man remained holy; as if God would leave us something pure to remind us of the Paradise we have lost, and point to us that which we shall regain."

Remember the Auction Sale of Mr. McLennan's furniture over the Montreal Shoe Store, Wyndham-st., on Tuesday, 9th September, at one o'clock, p.m. F. J. B. Forbes, auctioneer.

COMMUNION SERVICES.—To-morrow being Communion Sabbath in the Rev. Mr. Torrance's Congregation, the Rev. A. D. McDonald, of Clinton will conduct services in the evening and on Monday morning.

THE BAVARIANS drank 134 quarts of beer apiece last year.

DEATHS.
 AMOS.—At Guelph Township, on the 4th inst., Mary Anne, wife of Mr. Gilbert Amos, aged 37 years.

To the Millers, Manufacturers, Produce Dealers, and Tanners of Canada.
 GENTLEMEN.—We beg to advise having admitted Mr. John C. More, of Halifax, as partner in our firm, and have opened a Branch of our business in that City, where it will be our aim to serve our friends in Canada to the utmost of our power in the obtaining the best possible rates for consignments, the extension of the manufacturing interests of the Lower Provinces, the importing thence on commission their Fish Oils, &c., and the dissemination of correct and unbiased information respecting the markets.
