AYLMER'S BEST STORES

THE BIG STORE AYLME R'S GENERAL STORE

BETTER VALUE

The Key Note of future great selling in the Stratton & Martin businesses is contained in these two words "Better Value." The words are easy enough to write but they say what we mean. We will at no time recede an inch from our position as leaders in value giving and now because of our unusual facilities for buying and purchasing in two store quantities we're nearer than ever to the actual original cost of the merchandise we sell. We even promise you Better Value.

The Proof of Value is in the Goods. See Them. Put us to the Test

Millinery Leadership in Every Way

Values that emphasize our unapproachable position as distributors of Exclusive Millinery. Judge us by what we do, rather than by flow of newspaper talk. We simply present this statement to interest you in putting the facts to the test. Miss Wood is visiting the Eastern markets again this week selecting the newest novelties for her department, and you can depend upon getting the very latest and best for our Millinery Department.

The New Winter Coats

Assembled in our Mantle Showrooms for the inspection and approval of the ladies of Aylmer and vicinity, is the most authentic and comprehensive collection of the new Autumn Winter Coat styles. Certainly the largest and best in the history of this store. Our Coats are as usual made of the best quality of material and skillfully put together by experts. All the season's popular materials are featured and many novelties are exhibited which are exclusively Stratton & Martin's—not to be found elsewhere. By all means see our Coats before buying.

The General Store is well stocked with good Shoes and Rubbers. Shoes that wear. Our Shoe Trade keeps ever increasing. "There's a Reason." We are sole agents for the Williams Shoe in Aylmer, and we have many lines at prices that should command your attention. Other lines are slightly advanced, but all within keeping with good goods. If you cut a Williams Shoe thru you will find it solid through and through.
