CONDITIONS OF PEACE. Paris, May 10.—A semi-official com-munication was published this afternoon saying that the impression prevails that the recent negotiations tween Greece and Turkey will not be attended by great difficulties, and will soon have a satisfactory issue. The powers, it is further stated, had al-

ready agreed among themselves upon the conditions of peace. GERMANY'S HESITATION. Germany's hesitation was due to the fact that the Greek Government, in reular to its representatives at the adhere to Cretan autonomy as demanded by the powers. Greece subsequently gave the necessary assurances in this respect, and the German Minister at Athens has been instructed to support the efforts of the powers to

conclude peace. Northcott's farm, working it on shares, Having been bound over to keep the peace, sooner than give bonds, she consented to leave the premises altogether, which was agreed to by all parties, and the case was dismissed.
