DEARER BREAD. London, Aug. 23.-A dispatch to the Daily Mail from Paris says: "The rise n the price of bread is the cause of Chamber of Deputies to discuss the matter. Market rigging is an important factor in the rise. At Marseilles the popular effervescence is much greater than here, and the mayor of the city has issued a provisional scale of prices. The cause of the rise there is the scheme of a syndicate of wheat merchants to force the government to reduce the wheat duties. The price has risen since last night. Today the im porters and millers at Marseilles held a long conference, and such is the popular feeling that the authorities are taking steps to prevent an outbreak."
