A man of ined at second time at a sign from Ber honored queen, the day had been the france has assured the powers regularly celebrated. There were very that she intends merely to relieve Fez few Canadian men or women alive in and disperse the rebels. But how long an occupation will such an expedition

this holiday. It had come to seem almost like a holy day, along with Christmas and Easter, or New Year's at least, an institution and therefore to be cherished by a British people.

It is a festival particularly suited to Tanada, coming as it does half way between Easter and Dominion Day, and marking the beginning of sum
The Maiter—Yes, sir. Now, let me see, wot did you 'ave?

Waiter—Yes, sir. Now, let me see, wot did you 'ave?

Diner—I have not the slightest idea.

JUST A MATTER OF DIGNITY.

[Ottawa Free Press.]

Eighteen thousand dollars is not caused to the calcable of the clash of thunder. The noise was deaffening, and yet so skillfully was the whole scene stage-managed that it expresses of its parliamentary delegation to the coronation, and is not worth and marking the beginning of summent 'Regarding the cry of the rall-way traffic veering round to north and South, from east and west," said Mr. Alter the cold. Hence the older holiday was not easily replaced, nor did King Edward desire the change. In Australia or South Africa the calendar reversing ours, Nov. 9th might indeed be the spring holiday. But in this northern Canada the 24th of May is just about.

The results of the rall-way from the cold the correction of the rall-way traffic veering round to north and way traffic veering round to north and south, from east and west," said Mr. Hays, "will England buy less wheat they wanted, that was the secret of selected by their fellows to go to England would have been more considerate of their own dignity and of the dignity of the Canadian Parliament in the dignity of the Canadian Parliament in the dignity of the Canadian Parliament in the dignity of the Canadian doesn't they had decided to pay their own expenses.

United States wants and gets more ally reduce the portion available for the English market?" asked the interport of the English market?" asked the interport of the Canadian Parliament to accept a purely social invitation. The sum is a bagatelle.

The first Engagement.

The first Engagement.

Coming to the another.

It was, perhaps, this knowledge of his public, giving them exactly what they wanted, that was the secret of his public, giving them exactly what they wanted, that was the secret of his public, giving them exactly what they wanted, that was the secret of his public, giving them exactly what they wanted, that was perhaps, this knowledge of his public, giving them exactly what they wanted, that was perhaps this worthing and on the dignity of the Canadian Parliament in the dignity of the C spring holiday. But in this northern Canada the 24th of May is just about the first dependable day for an outing. The maples have only completed the expanding of their leaves. Corn planted on the 24th is sure to grow. Bees know that that is the very best day for a swarm. Men mark the day for taking off their winter flannels. It seems to have a mystical intrinsic value of its own; on this day summer extrainly begins.

It is true that His Majesty George V. has expressed a wish that his west transportation systems would be viewer. a question typicial of antiprocist simplicity or ignorance, the English market "asked the interviewer. asked the interviewer. a question typicial of antiprocist simplicity or ignorance. The first Engagement.
