Big League Bats Carefully Made.

It requires about two years to make the kind of bat used by big league baseball players. Second year growth of ash is used. So that the greatest amount of force may be used by the batter, the wood is turned on a lathe to the desired size and carefully balanced.

Patricia Theatre next Monday and CATHOLIC CHURCHES

First Company To Be Formed Saturday Night in St. Peter's Hall.

The first Girl Guides troop in conchurches of the city will have its nception next Saturday evening. Organization takes place at a special ceremony, to be held at 8:15 o'clock in St. Peter's Parish Hall. Mrs. Charles Wilson, a vice-president of the Catholic Women's League, is taking charge of the organization as art of the duties of her department.
A great deal of interest is being shown in the plans for organization. Those who are engineering the movement are hopeful that a company will be formed in connection with each of the various churches, with a St. Peter's troup, for which officers are already available, as a starting point. Mrs. C. H. Hill, as local commissioner of Girl Guides, has been asked to assist at the ceremony, and Mrs. R. M. Burns, president of the Catho-Women's League, will also be
