The friends of Frank Rivers are making an effort to induce the Governor to pardon him, he having been sent to the State Prison for a term of four years for forging Quartermaster's warrants. It is represented in his behalf that his health is rapidly failing, while his young wife is also in a sickly condition, and unable to support herself. Also, that he was used as tool of others in committing the forgeries. He was one of the heroic little band who fought under Colonel Anderson at Fort Sumter.

The funeral of the lamented Lieut. E. D. Waite, late Aid-de-camp to General Wright, who perished on the ill-fated Brother Jonathan, took place yesterday. The entire Ninth Infantry not doing guard duty acted as escort of honor, parading in full uniform with side arms, under command of Major Bowman.

#### ATTEMPT TO STEAL GOVERNMENT FUNDS.

NEW YORK, Oct. 2 .- The Herald's special dispatch says about the middle of September, General Baker received infor-mation of a plot at Lynchburg, Va., to rob the Post Quartermaster's safe of a large amount of money. The case was worked up and resulted in the arrest last night of Breyet Brig. Gen. J. G Briscoe, of the Nineteenth Pennsylvania Volunteers, commanding the post of Lynchburg, and W. Lackey, of Worcester, Mass., formerly sutler at that post. General Briscoe is an Irishman by birth, and has been in command of Lynchburg since Lee's surrender. Capt. Alberger has been Quartermaster at Lynchburg, and had in his charge on the 21st of September \$200,000 in greenbacks besides a large amount of captured gold coin and bullion, which had been placed in his charge for safe keeping. Brisco approached Alberger through Lackey, and proposed to him as the war was about to close and none of them had made any money out of it, they should make a grand haul in concert and pocket \$50,000 a piece. Alberger kept the funds in a safe which formerly belonged to a rebel officer. This fact would give color to the charge which was to be made, that the rebel having a duplicate key to the safe, had robbed it. Briscoe was to arrest the Quartermaster, his checks, and half the people of Lynchburg to avert suspicion. He took an impression of the safe key in wax, and sent Lackey to Philadelphia to get keys made. Alberger although ostensibly in the plot, informed the Secretary of war, and two of Gen. Baker's officers were sent down to Lynchburg to arrest the guilty parties. These officers saw through holes in the ceiling of the office, Gen. Briscoe come in while the Quartermaster and his clerks had gone to dinner, saw him unlock the safe with false keys, take out three packages of greenbacks containing forty thousand dollars each, and load himself down with coin and bullion to the amount of fifteen thousand dollars, having previously ignited saturated paper and cloth with a view to burn the office. They followed him across the hall of the office and burst in on him while counting and rearranging the money behind his bolted door. Wax moulds and false keys were found upon him and the proof was indisputable. These proofs are now in General Baker's possession. Briscoe and Lackey are now in the Old Capitol awaiting their trial. RAILROAD ACCIDENTS. CINCINNATI, Sept. 28-While Gen. Grant was returning from Indianapolis at an early hour yesterday morning, a switch at the end of a curve at Guilford having been turned intentionally the car in which the General was in was thrown from the track and dragged for some distance. DEMANDS FOR DAMAGES AGAINST FOREIGN GOV-ERNMENTS TO BE PROSECUTED.

NEW YORK, Sept. 29-The Times special says the State Department has given notice that citizens of the United States having claims against foreign governments not founded on contracts which may have originated since the 8th of February, 1853, will, withoat unnecessary delay, forward to the Department statements of the same under public right and the legitimate claim [of a people ?] to be heard when the question affects their destiny.
