SPECIAL TO THE DAILY BRITISH COLONIST.

CANADA.

S. PAUL, Jan. 17.—Late advices from Fort Garry report a serious state of affairs. The French, under Reille, are masters of the situation and have seized the Hudson Bay Company's sale with two hundred and fifty pounds of gold to pay the troops. Father Thibault and Col. de Salaberry, Commissioner of the Canadian Government, are at their way to open negotiations with Reille.

It is reported that the Sioux Indians are coming down into Dakota and Minnesota.

The people are much excited, and fears of another Indian war are entertained.

Reille had 250 men under arms, and The Hudson Bay officials are apathetic and work at Reille's acts.

PARIS, Jan. 12.—Rochefort's paper publishes a statement made by Dr. Fourville in regard to the killing of Victor Noire by Prince Pierre Bonaparte. After presenting the letter from Pichot Gossé, the Prince asked:

"Are you the representatives of those who shot Noire?" replied. "We are the representatives of our friends."

The Prince then struck him with his left hand, at the same time drawing a pistol ready cocked with his right hand fired upon Noire, with the mazze close to him.

Noire immediately lay down in the doorway.

The Prince then turned and fired upon Dr. Chiquy, who endeavored to draw a small pistol on him.

The Prince pushed open the latter, but when he saw he was armed retreated behind the door and closed it.

Dr. Fourville, who comprehended the ambuscade, when he had fled and reflected if he

should shoot those who would charge them with being the aggressors, he rushed out crying "murder," the Prince firing at him as he ran into the street. He found Victor Noire dead having had strength to descend the stairs.

The body of Victor Noire occurred yesterday.

PARIS, Jan. 14.—The city is still agitated over the recent homicide. Troops are held in readiness at the barracks and the military schools.

Rochefort was present at the sittings of the Corps Legislatif. To-day (Monday) has been appointed as the day for opening the discussion on the arraignment of Rochefort.

LONDON, Jan. 17.—The famous Star and Garter theater in Richmond, was destroyed by fire last night. The Manager lost his life in attempting to extinguish the flames.

MARSEILLE, Jan. 13.—Within a few days one thousand men have sailed for Cuba.

PARIS, January 13.—There has been no conflict between the troops and people, and the city is tranquil.

PARIS, January 13.—Between two and three o'clock more than 100,000 persons assembled in the vicinity of the place where the remains of Victor Noire were exposed. Rochefort's appearance called forth great demonstrations of enthusiasm. The romances were taken to Marly for interment, followed by a long procession. The crowd waited to pass through the body through Paris, but Louis Noire, brother of the deceased, refused his consent. At the cemetery there were frequent scenes of Republic. The Maréchal was seen by the people during the day. While Rochefort was coming down street accompanied by a great crowd who were singing the "Marseillaise." They were stopped by a regiment of troops and the crowd ordered to disperse. Rochefort, claiming his rights as Deputy, passed into the Chamber, where he arrived pale and very excited. The Chapeau was cleared by troops, and two batalions were stationed near the hall of the Legislative body, and five regiments were massed on the Boulevard. The crowd was finally dispersed without offering any resistance, but some arrests were made. A newspaper has been seized by the police.

In the Georgia Legislature the Committee to whom was referred the demand of the Procurer Imperial pronounced in favor of the arraignment of Deputy Rochefort for conspiracy against the Emperor by inciting violence and disorder.

The Journal Official publishes an imperial decree ordering that Prince Metz be brought before the High Court of Justice to be tried on a charge of striking a magistrate sometime ago.

The Minister of the Interior has issued a circular to the Prefects of the Department.

It declares that the policy of the Ministry has been in accordance with the desire of the Chamber and the country, but the Government will exact orders.

While guarding the interests of all it will not tolerate disorder.

The Ministry will be ready, however, to oppose any excess of power on whatever side and wherever it may appear.

PARIS, Jan. 15.—The funeral of Victor Noire occurred to-day. The Government, respecting demonstrations, made extensive preparations to preserve order. Early in the morning the people began to gather around the house where the remains were lying, coming from all parts of the city. Five thousand workmen from the Faubourg passed up the Boulevard. Many carriages, with ladies dressed in mourning, joined the procession. In the afternoon delegations of workmen visited the remains. The streets were filled with vast crowds of carriages containing noted persons surrounded by a crowd of occupants.

NEW YORK, Jan. 13.—The Rev Mr Cooke, whose telegrams with Miss Johnson have caused much scandal, announced to the editor of the World in that office the after-consequence of the publication of an article in Sunday's issue. He was arrested. His wife, a girl, was at the Bureau House, which proved true. He has been taken home, and probably be insane.

NEW YORK, Jan. 13.—The string divine, Rev Horace Cook, while in the hands of the police last night, advanced the extraordinary theory that the press, in noticing his sleep-meal, was animated solely by a desire to attack the Christian religion, and particularly the church of which he was a member. It was ascertained that Cook returned to the city yesterday from his excursion and sent Miss Johnson to her parents. He went home, bristled a fist, and frightened his family off. His friends induced him to give up the

weapon before he did any further injury. He then wandered about until he came across a newspaper-man, whom he proceeded to accuse of malice. The friends of Miss Johnson ascertained that the young lady had withdrawn from her enforced tour in pure as when she went away. Cook published a public appeal in the "Tribune" this morning, that the press should not paint old blusher than he is.

NEW YORK, Jan. 13.—The French Red Republicans of this city held a meeting last night to discuss the murder of Noire by Prince Pierre Bonaparte. There was a large attendance and the proceedings were very excited. Finally, it was decided to hold a public demonstration in a few days.
