## TO BE TRIED.

The woman Kitty Lathrop, held by the police on several charges of abducting, is lying ill at the jail and it is said that she will be unable to appear for trial. She is without money and it is said that one of her friends is having a trial kept back to avoid the arrival of funds from her friends in Port Huron and Detroit. Lathrop is a confirmed opium smoker and this is probably the cause of her illness, the means of procuring the drug being cut off.
