A Boston bookmaker is giving the following odds on the different League clubs not getting first or second: Chicago and New York, 7 to 5; Boston and Philadelphia, 7 to 1; St. Louis, 10 to 1; Washington, 25 to 1; and Kansas City, 50 to 1.

As a baseballist proprietor Mr. Erastus Wiman is scarcely a success. The Metropolitahs are at present at the foot of the American Association list, having lost 9 games and won only 2.

Elmira pounded Horner Wednesday for 15 hits. During the Rochesters' southern trip Warner played without an error, and Horner led the team in batting with an average of 400.

average of .400.

Lon Knight, who has just been engaged by the Rochesters, last season played right field for the Previdence League team, and was tied with an average of .957 with Lewis of St. Louis for the first place among the fielders of the National League. In '84 and '83 he played with the Athletics of Philadelphis, and was wanted there again this season. He is a good batter and will captain the Rochesters.

A good pitcher will not send many men to bases on balls. He should bear in mind to bases on balls. He anound sear a that nine out of ten men presented with a base score a run. There are nine chances egainst a baseman all the time, and a good twirler will take these chances and make a man hit the ball.—Syracuse Courier.

Considerable of the transportation in the International League will be done by steamer back and forward across Lake Ontario, making this the pleasantest circuit on the continent.—Rochester Union.

The Uticas were defeated by the Haverhills of the New England League 11 to 1, Toesday.

The Rochester Union says that the work of the Rechesters in their exhibition games has been unsatisfactory, that at least four men will be dropped, that Manager Bancroft has beenigiven carte blanche regarding salaries in the engagement of new players, that as a beginning of the stiffening-up process Lon Knight has been signed, that other points in the Club will be strengthened by the engagement of some of the best known players in America, and that Rochester is beund to have a winning team.

A Guelph correspondent says: "When the Bostons visited Guelph in 1873 over 11,000 people assembled to witness their game with the Maple Leafs, which was more than the population of the city. This is the largest number that ever attended a baseball match in Canada. The score was 12 to 11 in favor of the visitors. Boston's share of the gate money was over \$500." Even the 11,000 does not compare with the crowd that witnessed the Toronto Detroit game on the Industrial Exhibition Grounds last fall, but the Bestons must have had an extraordinary amount of confidence in the attendance at a baseball match in a Canadian country town to have agreed to accept less than 25 per cent. of the receipts.

The hounds will meet to-day at Slattery's corner Dundas and Bloor, at 3.30 sharp.
