THE DR. AND THE DETECTIVE.

An Oakville Druggist's Experience With an Alleged Emissary of the Law.

Dr. Urquhart of Oakville came to the city yesterday with fire in his eye. He claims to be the victim of a "blackmailing" scheme by which an attempt is being made to extort $16 from him illegally. To The World he told the following story:

"I have been a druggist for many years, so long in fact that I have been granted an honorary diploma by the College of Pharmacy. A few years ago I took a medical course and graduated as a legally qualified physician in Ontario. Not content with this, I went to England and graduated there. Since that time I have practised in Oakville as a physician rather than as a druggist. Four years ago the Ontario Legislature passed an act authorizing the Pharmaceutical Society to collect four dollars a year from each druggist practising in Ontario, which fee must be paid under a penalty of $20.

"The other day a stranger came to my house and asked for an ounce of carbolic acid. I was taking a nap at the time, so my wife gave him the acid after cautioning him as to the danger in handling it. He said, 'O, that's all right, I want to use it in an ointment.' In a few minutes he came back and asked to see me. He reminded me that I had sold poisons and under the act was liable to a fine of $20, and proposed that if I would pay all the back fees—amounting to $16—he would not press his case. I told him I would not agree to that, so he took his leave.

"I do not know the fellow's name, but I intend to find it out, and I intend to see the end of this affair. That is what I came to Toronto for to-day."

NOT THIS YEAR AT ALL EVENTS.

Dr. Bryce Says the Cool Weather is Too Near at Hand for Cholera.

"Asiatic cholera has reached Hamburg. Do you think we're in any danger?" asked The World of Dr. Bryce, secretary of the Provincial Board of Health, yesterday. "There's not any danger this season," was the answer. "The cool weather is too close at hand. The cholera might get as far as New York, though even that is not likely, for that city is at present well protected, both the Federal Government and the local authorities having established a quarantine. Of course, I can't make any predictions for next year."

Presentation and Good Wishes.

A very pleasant gathering took place at the office of the Grange Supply Company last evening, when the employes assembled to take the parting hand of one of their fellow-employes, Mr. R. J. Creighton, who is leaving the company's employ to manage the business of H. Doyle & Co. of Schomberg. On assembling the following address was read and a handsome gold ring was presented:

To Mr. R. J. Creighton:

DEAR FRIEND,—As the time is fast approaching when the duties of life call you from our midst to participate in its struggles in another sphere, we, the employes of the Grange Wholesale Supply Company, take this opportunity of presenting you with this ring as a token of our appreciation of your friendship and as a kind remembrance of the pleasant days we have spent together in the company's employ.

We would regret very much your departure from our midst on account of your genial character and pleasant manner to all, were it not for the fact that your confidence in the employment in which you are about to undertake insures us that it is for your own benefit as well as your own happiness that you are doing so, which relieves us to a great extent of that feeling of regret in the interest which we take in your future welfare, and the position you have occupied and still hold in our estimation is one that will long be cherished by us, and in taking your hand in a farewell parting we feel assured that we are parting with a true friend, and when your smiling face is seen in our midst no more we can look back with pleasure on the happy days gone by.

Again allow us to express our best wishes for the prosperity of yourself, your wife and family, and may a kind Providence guide you through the rugged paths of life, and as our meetings here may still be frequent, when life's toils are over may we also hope to meet you in a better world beyond. Signed by employes: R. Y. Hanning, manager; G. E. Buck, accountant; Mai Richardson, cashier; F. Wills, C. E. Farrand, salesmen; F. H. Davis, C. Beatty, A. Hanning, clerks; T. Morgan, D. W. Hutchinson, F. Wichell drivers.

To All Knights of the Maccabees and Their Friends.

The following open letter will be of interest to all Knights and their friends:

W. R. Callaway:

DEAR SIR,—It has been brought to my notice that some unauthorized persons are undertaking and advertising a K.O.T.M. (Knights of the Maccabees) excursion to Detroit and return, Aug. 27, 28 and 29.

I trust you will not entertain an idea the Maccabees have in any way broken faith with you in their undertaking with your railway. The excursion over the Canadian Pacific Railway is the only authorized K.O.T.M. excursion to Detroit and return upon the above-named dates under the auspices of the Knights of the Maccabees at $3.90 for the round trip. I intend to do all I can to make the excursion a grand success.

(Signed) Yours truly, H. E. TRENT,
Provincial Record Keeper K.O.T.M.

The service and equipment of the Canadian Pacific Railway between Toronto and Detroit is the very best—first-class sleeping and parlor cars, elegant "Foresey" reclining seated coaches. Meals served en route with a perfect Buffet service. A. U. S. customs officer at Union Station examines all baggage via C.P.R. The company will be taxed to the utmost, as the rate, $3.90, for return trip is very low, and all Knights and their friends going by C.P.R. will make a big turnout. Remember to travel by C.P.R.

Hamilton Ladies' College.

The Hamilton Ladies' College will begin its 32nd year on Sept. 6. This institution is so well-known both in Canada and the United States that it is hardly necessary to make an extended statement. It is the oldest college in the Dominion and has graduated over 300 in the full college course. The board of this institution has sought for the best teaching ability available, and we think that with such an educator as Dr. Burns as principal and a faculty endorsed by him the most thorough instruction is guaranteed. In music and art the college offers rare advantages. Prof. Harris, the head of musical department, is present every day as an active teacher and superintends the whole music department. Prof. Henry Martin gives personal instruction to every art pupil himself, and although requiring assistants he is present every art day. Those wishing a catalog of this institution should address the principal, Dr. Burns.

A Fresh-Air Trip.

The route of the Belt Line Railway is through the richest and most beautiful portion of York County. In an hour's spin over the line scenes of the simplest farm life alternate with suburban luxuriance, while the finish of the run shows one of the most active portions of the city. Your visitors will be delighted with the trip, you will be surprised yourself if you have not taken it, and your American friends will begin to realize what a beautiful country Canada is. A great many visitors come across the lake and do not get a chance to see the exquisite landscapes of Canada. Take them around on the Belt Line. Tickets for sale at P. J. Slatter's, corner King and Yonge-streets.

Looking Over the Park.

The Parks and Gardens Committee visited Exhibition Park yesterday and viewed the improvements recently made there. Park Commissioner Chambers showed the visitors around and they were much impressed by the magnificent appearance of the grounds. The grand stand was found to be nearing completion and is a magnificent structure. The new race track promises to be one of the finest on the continent. As usual the grass and flowers are looking beautiful and will gladden the hearts of visitors to the Exhibition.

One trial of Mother Graves' Worm Exterminator will convince you that it has no equal as a worm medicine. Buy a bottle and see if it does not please you.

The Esplanade Agreement.

Solicitors Clark and Wells of the C.P.R. waited on the Mayor yesterday and asked him to sign the Esplanade agreement, saying that it was necessary to have it signed before Sept. 1. The Mayor said he would wait until the Government had signed the agreement, which it will probably do in a few day

WILL TAKE LEGAL ADVICE.

The Street Railway Company's Proposal Finds No Favor With the Board.

Mr. McKenzie, with Secretary Grace of the street railway company, appeared before the Board of Works at its meeting yesterday and presented their proposition as follows:

In accordance with the request of your committee of yesterday the Toronto Railway Co. submits to you, without prejudice to their rights now before the courts, the following proposal as a settlement of all disputes and differences between the city and the company under contract, in reference to poles, viz.: That the railway company will, within the district mentioned in bylaw No. 2464 as amended by bylaw No. 2767, place iron poles of like quality and description as the sample pole placed in front of the City Hall, or such other iron poles as may be mutually agreed upon for the support of the trolley wires, when directed by the city so to do upon three months' notice from the city: provided that in giving such notice the months of December, January, February and March shall not be included, and that the company shall not be required to make any change during these months.

The company is advised that the question of poles is entirely at their own discretion, but for the sake of meeting the City Council, and to prevent further friction, it is willing to adopt the above, provided the poles outside the district mentioned in said bylaw shall be left to the company's business discretion, this being intended as a settlement of the whole pole question throughout the city.

The limits named in the bylaw referred to are: the Esplanade on the south, George-street on the east, Spadina-avenue on the west and one block north of Queen-street.

As the company's proposition did not meet with the board's approval, it was not discussed at any length, the Board deciding to meet this morning and consult with Mr. Z. A. Lash, Q.C., and Mr. Caswell as to the proper course to be taken in the matter.

On the recommendation of the City Engineer it was decided to award the contract for paving Yonge-street, between Hayter and Grenville, to John McBean. His tender for paving this portion of the street with granite setts had been accepted, and as it had been decided to use asphalt instead the Engineer thought it only fair to give him the asphalt contract.

In God They Trust.

Editor World: While you are giving it to the Americans about the low value of their silver coinage you may perhaps be able to make use of the joke among their ungodly regarding the motto, "In God We Trust," on their silver dollars. The dollar contained 88 cents' worth of silver, and they used to say that they trusted in God for the other 12 cents. W. A.

The Building Trade.

These permits were issued yesterday: Land Security Company, two two-story brick stables at 407 and 409 Queen-street west, $1000; J. Baker, three three-story brick stores and dwellings, 1084 to 1088 Queen-street west, $9700; A. Jacobs, five two-story brick dwellings in Macdonald-avenue, $6500.

A Writ For $10,000.

Dr. John Murray, an Ottawa physician, has issued a writ for $10,000 damages against the College of Physicians and Surgeons and its detective, Thomas Wasson. The case arises out of the prosecution of Dr. Murray in the Police Court.

"German Syrup"

Croup. We have selected two or three lines from letters freshly received from parents who have given German Syrup to their children in the emergencies of Croup. You will credit these, because they come from good, substantial people, happy in finding what so many families lack—a medicine containing no evil drug, which mother can administer with confidence to the little ones in their most critical hours, safe and sure that it will carry them through.

ED. L. WILLITS, of Alma, Neb. I give it to my children when troubled with Croup and never saw any preparation act like it. It is simply miraculous.

MRS. JAS. W. KIRK, Daughters' College, Harrodsburg, Ky. I have depended upon it in attacks of Croup with my little daughter, and find it an invaluable remedy.

Fully one-half of our customers are mothers who use Boschee's German Syrup among their children. A medicine to be successful with the little folks must be a treatment for the sudden and terrible foes of childhood, whooping cough, croup, diphtheria and the dangerous inflammations of delicate throats and lungs. ®

GRATEFUL—COMFORTING
EPPS'S COCOA
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*
Made simply with boiling water or milk. Sold only in packets by Grocers, labelled thus:
JAMES EPPS & CO., Homœopathic Chemists, London, England. ed
