

## FOR THE SILVER TANKARD.

GRANTER CUBERS KNOCKED OUT BY PROSPECT PARK.

Markham beaten by the other Parkers. A Brampton Victory - Corbett Announces His Willingness to Meet Peter Jackson. The Racing Results - General Sporting Gossip.

And 'tis the Granite Tankard which has led to the history of the year!

Yesterday they met Prospect Park in Church-street in the first round in group 8, and succumbed to the Parkers' prowess by seven shots.

The ice was in perfect condition and a large number of spectators were in the rink. Indeed the contest looked more like the last match in the final than a draw in the preliminary round.

Test a great battle between McMurtry and Corbett. The contest was a very early lead, which the Parkers mounted in the 15th end, and the man with the leather coat made six shots and finished two ahead.

Across the way the struggle was one-sided. Scott was altogether Creelman's superior, and took the lead at the outset, which he never lost, and ended shots up, thus leaving a majority of all round.

The second round was a very close contest, the two men being tied at the end of the first end. The third end was a very close contest, the two men being tied at the end of the first end.

## RUSSELL'S BUMPER HOUSE.

First Production of "Peaceful Valley".

The Academy's Opera Season opens to Good Business.

Sol Smith Russell presented E. E. Kidd's "Peaceful Valley" at the Grand last night to one of the largest houses of the year.

The managers of the International meet to be held at Chicago this season report that the sum of money needed to carry out the scheme is being rapidly raised, and there is no doubt that the most elaborate plans can be carried out successfully.

Two well-known firms in New York are hard at work on designs for the International Trophy. The trophy is to cost \$1000, and is to be competed for annually, the country making the largest number of points at the International championships to hold it for a year.

Corbett Bars No One.

Says If Mitchell Will Not Meet Him He Will Fight Peter Jackson.

Chicago, Jan. 23.—James J. Corbett is in this city with his theatrical show.

He is ready to meet any man who is waiting a year before fighting again, the champion said that he considered his course was perfectly justifiable.

He is the champion of America and I claim right to say who I shall meet. I am prepared to fight the champion of England or Australia, I prefer Charles Mitchell, who is the champion of England, and an undefeated man. After his arrival in this country, which will now be in a very short time, I will allow him a certain period to show that he means business. In case of his failure to do so Peter Jackson is my next choice, and if he does not come to the scratch I will meet any man in the world, barring none.

Keene at the Grand.

In this critical city, where the amusement-going public have a peculiar mode of being their own judges as to what they like and what they don't like, it is significant as a fact, as well as complimentary to the taste of Torontonians, that it was one of the first of the larger cities to welcome Mr. Thomas W. Keene as one of the greatest actors of modern times.

Each succeeding year has his popularity grows stronger, until the announcement of his arrival in this city is a matter of course, and the theatre is filled to the brim of the well-known scenic artist.

Together with the Tractor's Dale and Kepp Tower, who in the second act of "Old Sir John" is described as being picturesque in arrangement, and in the third act of "Old Sir John" is described as being picturesque in arrangement, and in the third act of "Old Sir John" is described as being picturesque in arrangement.

They'll start to-day on the Hill Top.
