gistrate or lawyer, except his lordship himself,—the individual who has concocted the measure so universally repudiated by the people of Scotland? Was this country ever so treated before? How would the English people have relished an inquiry into any of the many defects of their laws, committed to Scotch Lawyers, Judges, or Presbyterian Clergy? If the Lord Advocate knows that he has not the confidence of the Scottish gentry or Judges taken from his own side of the bar, had he not the Lord Justice-General and the Dean of Faculty to place on the commission? but perhaps he could not trust them! The report of such a commission, be it what it may, cannot have the confidence of the country. The whole measure is an insult to Scotland.

PRAYER.

Prayer is not the lips repeating
Words that flow unconsciously;
Prayer is when the heart is beating
With a lovely fervency.

Upwards let thine eager pinions,
Upward soar to God on high,
Infinite are his dominions,
Spirit infinite is he.

Worshipped he would be in Spirit,
It is ever his delight,
Aught besides it hath no merit,
Is not pleasing in his sight.

Kneel in cheerful glad devotion,
When the evening sinks to night,
When from yonder starry ocean,
Streams abroad a silvery light.

Feel'st thou not this loving kindness,
Kindling, melting, in that glow,—
Dissolved thy heart in tears for blindness,
That to mercy steels the so.

STANZAS TO A SWALLOW.

Welcome, wavering, weary, stranger,
Welcome to our tiny bark;
Rest, refresh exhausted nature:
Dove like Do'st thou seek the Ark.

Bush nor bower there's none to cheer thee,
Tower nor tree to rest thy wing;
Why should mortal beings fear thee,
O'er the ocean hovering!

Rest thee, worn and weary stranger,
Emigrant to Scotland's Isle;
Rest with us, and fear no danger,
No hand shall thy plumage soil:

Freedom here on airy pinion
Waits to greet the little one;
Dread not tyrant man's dominion,
Foes to hurt thee here are none.

Flee not, flickering, frightened creature—
Why so faithless? Well, I wish,
The instinct of thy startled nature
Proves that man has faithless been.

Weak and feeble now thy motions;
Sinking nature who can save?
Ere you trust the faithless ocean,
Thou of man will mercy crave.

Timid, lone, and broken hearted,
Thurst and want thy progress check;
Of thy voyaging tribe deserted,
Thou art one of nature's wreck.

Fleetest of the tribes of nature,
There's a Power that's fleeter still;
One that conquers every creature,
And subdues them at His will.

Life's a sea where all are voyaging,
Destination short and long;
Death, with nature warfare waging,
Conquerers both the fleet and strong.

HOLLOWAY'S OINTMENT!

FIFTY ULCERS CURED IN SIX WEEKS.

Extract of Letter from John Varin, Esq., "Chrystalete" Office, Tobago, West Indies:—

February 4th, 1845.

To Professor Holloway.

SIR,—I beg to inform you that the inhabitants of this Island especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentlemen in this Island, who had, I believe, about fifty running ulcers about his legs, arms, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good; but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.

(Signed) JOHN MARTIN.

PILES, FISTULAS AND BEARINGS-DOWN.

A remarkable Cure by these Pills and Ointment.—A half pay lieutenant, lately residing at St. Helier's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

EXTRAORDINARY CURE IN THE WEST INDIES, OF LEPROSY AND OTHER DIREFUL SKIN DISEASES.

June 3rd, 184

MR. LEWIS REEDON, of Georgetown Demerara, writes under the above date—that Holloway's Pills and Ointment have cured bad legs that no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales and other skin diseases of the most frightful nature and that he cures effected quite astonish the whole population.

CANCERED BREAST—A WONDERFUL CIRCUMSTANCE.

Copy of a Letter from Richard Bull, Bootmaker, Tatton, near Southanton

February 9th, 1845

To Professor Holloway

"SIR,—The Lord has permitted to be wrought a wonderful cure of Cancers or Abscesses, of twelve years' standing, in my wife's breast. In the latter part of the time, eleven wounds were open at once. The Faculty declared the case as past cure, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

"I shall ever remain
"Your most grateful and obedient servant,
(Signed) RICHARD BULL.

Wheezing on the Chest and Shortness of Breath.

Copy of a Letter from Mr. J. Casey, No. 1, Crosby Iron place, Crampton street, Brunswick square London, April 25th, 1845.

SIR—I Beg to inform you that I believe I have been, for more than three years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short that I was afraid every moment of being choked with phlegm. I never went into a bed, very often indeed, I have been obliged to pass the night without being able to recline sufficiently. By my head on a table, lest I should be suffocated. No one thought I should live over the winter nor did I expect it myself, but I am happy to say that I am now able to work from morning to night and that I sleep as well as ever I did in my life, and this miracle (I may say) was effected by rubbing your invaluable Ointment twice a day into my chest, and taking two of your Pills at bed time and two again in the morning, for about three months.

(Signed) JEREMIAH CASEY.

IN ALL DISEASES OF THE SKIN,

Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stoney and Ulcerated Cancers, Tumours, Swellings Gout Rheumatism and Lumbago, likewise in cases of Piles the Pills in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Musquitoes, Sand-flies, Chiegoloos, Yaws, and Coco-bay

Burns, Scalds, Chilblains, Chapped Hands, and Lips, also Bunions and soft Corns, will be immediately cured by the use of the Ointment.

THE PILLS are not only the finest remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will insure HEALTH TO ALL!

N. B.—Directions for the Guidance of Patients are affixed to each Pot.

CHARLOTTE COUNTY
Grammar School.

THE Directors of the Charlotte County Grammar School inform the Public, that Tuition in the above Institution is now given at the following rates:—

Classics, and Mathematics,	£1	0 0	per Quarter.
E. Grammar, Geography &c.	0	15 0	" "
Reading, Writing, and Arithmetic,	0	10 0	" "

The Directors trust the above low rates of Tuition will meet with general approbation. They also confidently recommend to public attention the efficient state of the School; the Principal having, from personal examination of the best schools in England, been enabled to introduce many improvements in the art of teaching; and having engaged at his own expense a competent Assistant, in order that there might be every facility in carrying out a *thorough and complete system of education.*

These efforts to increase the utility of the Institution, it is hoped, will be met by a corresponding degree of patronage on the part of the Public.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from the Earl of Aldborough, dated villa Messina Leghorn, 21st February 1845

To Professor Holloway.

SIR—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time to add that your Pills have effected cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad I wish to have another box and a Pot of the Ointment, in case any of my Family should ever require either.

Your most obliged and obedient Servant
ALDBOROUGH

A WONDERFUL CURE OF DROPSY OF FIVE YEARS' STANDING.

Copy of a Letter from Mr. Thomas Tailor Chemist, Stockton, Durham, 17th April, 1845.

To Professor Holloway

SIR,—I think it my duty to inform you that Mrs Clough, wife of Mr John Clough, a respectable farmer of Acklam, within four miles of this place had been suffering from Dropsy for five years, and the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit that in fact she has now given them up, being so well and quite able to attend to her household duties as formerly, *which she never expected to do again.* I had almost forgotten to state that she was given up by the Faculty as *Incurable.* When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c &c
