CURE OF A DESPERATE CASE OF RING.

WORN OF SIX YEARS STANDING.

Lima, 13th of November, 1849.

One of the most eminent Surgeons in Lima (the Capital of Peru) had a child covered with Ring worm for more than 6 years; in varia he exhausted all ris art in his andeavours to effect a cure. Not succeeding, he consulted among his brethren, the most erlebrated medical practitioners of the City, but nothing was found to do the child service.

When he was persuaded by Mr. Joseph P. Haque the English Chemist and Druggist, resulting at No.
