il part of the proceedings, was CLARATION OF INDEPENDENCE against the British Governge III., but against the galling mperance and King Alcohol I. speeches followed and much cause displayed. But Mordethe kings gate.—The British i eye sore to the above men-: citizen. They at last collectmob, and, a riot would doubted, had not the Washingtonito take down both flags togeid the dispute. In other resre every thing was conducted propriety, tho the heat of the d several persons, particularly id a distance to travel. One re informed, upon returning e of great prespiration, put her I water, and was soon after , and her recovery is scarcely

paths and wild-cats notwith

e is certainly a good thing, and omoted by all proper means; festival is a good way of advan

cing the cause is questionable. A consistent | On the 14th instant, by the Rev. W. T. Wishadvocate of temperance should guard against excess in every form, particularly in the Miss Elizabeth Minnis, of the same place.

means which he employs to promote absti-nence. Now it certainly does seem to us nence. Now it certainly does seem to us possible, that the money expended for a festival, and the time and labour employed in such a way, might have been used to greater advantage on real objects of charity. Another thing deserving of remark, is the boast of the Washingtonians, that they act upon principles different from those of all other Societies. This is not true. The principles cieties. This is not true. The principle has left a very numerous and respectable upon which all Total Abstinence societies circle of relatives to lament his death. are founded, is the same The difference if any which this new Society observes, is a practical one. They use greater efforts to reclaim drunkards. This is right and we reclaim drunkards. This is right and we wish they may prosper—but other societies used efforts to reclaim drunkards too; not to the same extent perhaps, nor with the same success. They acted on the same principle, but in practice did not exert themselves so but in practice did not exert themselves so — 20, sehr. Mary Jane, McMaster, East-It remains however to be seen, whether these reformed drunkards in the United States will continue the good course which they have began. If they do, it is well; but still the principal object of Temperance So cieties, is to prevent the rising generation from becoming drunkards.

Boundary Line .- The Washington Cor-

Boundary Line.—The Washington Correspondent of the Journal of Commerce makes the following important announcement:

I have learned from an authentic source that the negociation with England is on the point of conclusion,—peaceably, and personal p

to St John to morrow returning in the after- by the swedish barbue Oscar, for New York, made up to go via St. John on Mondays and noon. All who may be desirous of visiting St at the time. John can do so now at a cheap rate—the passage up and back being only 6s 3d.

The Editor of the Woodstock Telegraph THE Mail to meet the sailing of Her Maacknowledges the receipt of "a mess of green peas" on the 9th inst. Happy fellow he?

There will be no less than four Steamers cross over to America, during the present month, viz. the Acadia from Liverpool which was to leave on the 5th, and now haps in Halifax; the British Queen, from Antwerp, via Southampton, 10th; the Great Western, from Bristol 16th; and the Columbia from Liverpool, 20th.

preached and a subscription taken up of lefed distresses which exist in many parts of this County.

The Thermometer at Woodstock on the 13th inst. averaged from 93 to 100 in the shade. Rather warm there, we confess.

His Excellency Sir, Charles Baggot, Gov

bour Fund &c." which we shall publish in our next we have no doubt but that the formation of such Societies in every County would ma-terially better the poor and industrious and Emigrant, and be a general benefit

Cheap Coal .- At the Albion Mines, Pic- at half-past seven o'clock. tou, Coal was selling last week for 7s 6d. per tend.

Night and Morning -This most popular and entertaining Novel, by Bulwer, was issued in an extra of the Boston Notion on Sat-

urday last, for the trifling sum of 1s 3d.

The 'Leviathan Notion,' to contain three new Novels and as much other original matter as can be read in a week, will be issued on the 12th August. Four copies can be had for one dollar.

The Decay of the Teeth and Gums arises The Decay of the Feeth and Gums arises from various causes; but, principally, it may be attributed to carly neglect, ill health, and the use of Touth Powders containing mineral and other del terious acids, which give a momentary whiteness to the teeth, while they corrode the cnamel!—The extreme prevalence of this last cause is too well known to need ROBERT JOHNSTON. comment. To this fact, indeed, is principally to be attributed the long Botanical Research hich was happily terminated by the mo licitous discovery ever given to the world for the PRESERVATION of the TEETH. GUMS, and BREATH, VIZ -ROWLAND'S ODONTO, or, PEARL DENTIFRICE: this Powder now occupies a distinguished place at the Toilets of the Sovereigns and the Nobility
