A YOUNG LADY IN ELOIN COUNTRY TELLS HOW IT SAVED HER LIFE.

The Case Bailled the Family Doctor and He Gave it up Relief Came When Hope Had Almost Gone—Health Again Restored.

From the Tisonburg Observer.

Mr. J. W. Kennedy, who resides on the 8th concession of the township of Bayham, is on of the most respected farmers in the town ship.' Recently an Observer representative visited his home for the purpose of learning the particulars of the recovery of his daughter, Miss Alice Kennedy, from a severe and trying illness, through the use of Dr. Williams' Pink Pills, after medical assistance had failed. Miss Kennedy now presents the appearance of a healthy and active young woman of twenty, and bears no indication of having passed through an illness that hallled the doctors' skill. To the reporter Miss Kennedy said that in the autumn of 1893 she was taken ill and a physician was called in. Despite all the doctor did for her she continued to grow worse. She suffered from severe headaches, became very pale, rapidly lost flesh, and her limbs were cold and swollen. She suffered great pa n and it was with much difficulty she could move about, and would sometimes he for hours in a half stupor. At last the doctor said he could do nothing more for her, and the family asked his advice as to her using Dr. Williams' Pink Pills. He said he was of the opinion that they would not help her. In spite of this adverse opinion, however, she determined to give them a trial, and before the first box was finished the wisdom of the decision was made manifest. An improvement was noticed and with joy Miss Kennedy continued taking the Pink Pills until she had used fourteen boxes, when she felt that she was completely cared. She has not taken any since the early summer, and has not had any recurrence of her old trouble, and never felt better in her life. Indeed Miss Kennedy says that as a result of the Pink Pills traument she has gained 25 pounds in weight. A short time after she began the asc of the Pink Pills the doctor who had previously attended her, called and was much surprised at the improvement in the young lady's appearance, and said that if Pink Pills had caused the transformation by all means to continue their use. Miss Kennedy's sta
