

NEW YORK EXCHANGE.

NO RELIABLE FRESH NEWS FROM SEAT OF WAR — BURK COCKRAN WILL SUPPORT BRYAN'S CANDIDATURE — SKETCH OF NEW DIRECTORS OF B. R. T. — BANK STATEMENT SHOWS VERY LARGE NET GAIN, LITTLE CHANGE IN LOANS, AND GAIN IN RESERVE.

New York, Jan. 27.

There is nothing fresh from South Africa. A despatch which is said to have arrived at Berlin, is from Pretoria, saying that Gen. Warren had lost 17 guns. The news coming from Pretoria, however, is not always reliable.

British Consols remain unchanged. Americans are steady and only slightly below our parity.

The most important news of this morning is that Mr. Burk Cockran has decided to support Mr. Bryan in his campaign for the presidency. Mr. Cockran bases his action on the belief that the free silver question is not an issue, and that the real question before the country is the imperialism. It will be remembered that Mr. Cockran was extremely active in the last presidential campaign in supporting Mr. McKinley, and it is generally believed that by the speeches which he delivered in various sections of the country, he contributed no little to Mr. McKinley's success.

Although the Street did not approve or profess not to approve of yesterday's election of directors to the B. R. T. Co., the Board is in reality a very strong one. Mr. August Belmont and Mr. Oakman are thought to represent Mutual Life interests.

Mr. E. H. Harriman is associated with some of the largest capitalists in the Street, while Mr. H. H. Porter is universally recognized as a reliable expert on all matters pertaining to transportation. The bank statement will no doubt make a good showing.

The New York News Bureau estimates the net gain of the banks at about \$6,500,000, while the Financial Chronicle puts it as high as \$9,000,000. The market has been so quiet during the past week that there is little likelihood of much increase in loans. Consequently the surplus reserve should show a substantial increase.
